**THE 860 TWO-DOOR CATALINA**

The car says 60 and the price won't stop you!

**Easy way to break the small car habit!**

It's the hardtop buy of the year with the most power and size per dollar of any car in this style.

If you're accustomed to buying in the low-priced-three range, chances are you're paying for Pontiac's size, performance and distinction—but you're not getting it! As a matter of fact, you're not even coming close!

Where else at a price so low can you enjoy bossing the most modern, most advanced power plant in the industry—the mighty Strato-Streak V-8?

Where else at a price so low can you get the luxury of Pontiac's optional Strato-Flight Hydramatic—America's newest, smoothest automatic transmission?

Where else at a price so low can you find a big 122-inch wheelbase, such luxurious interiors and all the other fine-car features that put you so squarely on even terms with buyers of far costlier cars? Come in and see how easily this heart-lifting Strato-Streak beauty can be yours. Once you do, you'll be out of the small-car class forever!

You can actually buy a big, glamorous Pontiac 860 for less than you would pay for 44 models of the low-priced three!
