GARDEN TIME
ROBERT SCHMIDT
N.C. STATE COLLEGE

Are you getting tired of running the cultivator and wielding the hoe in your garden in a losing battle with weeds and grass? Why not use a mulch?

It is surprising how few gardeners make use of mulches as an aid in the conservation of soil moisture and the control of weeds. A mulch may be any material such as hay, straw, straw manure, leaves, leafmold, peat, sawdust, pine straw or heavy paper which can be put down on the ground around plants for the purpose of conserving moisture during the hot, dry summer weather. At the same time it will keep down most of the weeds. Cardboard boxes, flattened out, have been used with excellent results. Ground corn cobs are also being used.

Many vegetables, flowers, small fruits and shrubs are good subjects for mulching. Dahlias, tomatoes, peppers, eggplants and cucumbers may be mulched with straw, leaves, cardboard or heavy paper. Azaleas, camellias, and blueberries which desire an acid soil may be mulched with sawdust, leafmold or peat. Red raspberries, dewberries and grapes may be mulched with straw or straw manure.

Plants should be put down after the soil has been well

World War I Vets To Meet In Gastonia

The veterans of World War I in Cleveland County are invited to attend a rally of World War I veterans in Gastonia, Sunday afternoon, June 10, at 2:30 o'clock in the Gaston County Courthouse in Gastonia. Representatives of the Veterans of World War I of the U. S. A., Incorporated, will be on hand to explain the principles and objectives of the three year old organization of aging veterans.

The Veterans of World War I of the U. S. A., Inc., was instituted approximately three years ago, and since that time, has expanded its operations into 40 States, with over a total of 615 local Barracks. The National Organization has been mandated to press in the Congress for a more liberal Hospital and Medical care program for its veterans who are now averaging 63 years of age. They are also seeking a pension for themselves and their widows based upon the same principle and amounts as that now accorded the Spanish-American War veterans.

W. N. Knight, National Deputy Chief of Staff for the Veterans of World War I, stated today, that the time has now arrived when something should be done for the men of 1917-18. Countless thousands of these World War I veterans are dependent upon relatives for sustenance, others have been denied employment due to age factors and physical handicaps. They just can't keep pace with the fast production lines, Knight added.

A cordial invitation is extended every World War I veteran in Cleveland County to be on hand for the afternoon rally in Gastonia. World War I veterans desiring more specific information about the organization or who may be desirous of forming a local Barracks in their community are asked to communicate with him at 227 South Merritt Ave., Salisbury, N. C.

Bolding In Army Celebration

FORT LEAVENWORTH, Kan. — Pvt. William H. Bolding, son of Mr. and Mrs. Arthur Bolding, Bessemer City, recently participated with the 1st Infantry Division in the 75th anniversary celebration of the Army's Command and General Staff College at Fort Leavenworth, Kan.

The college, a school of high military education for officers, was honored by the "Big Red One" division with a series of parades and artillery salutes.

An engineer in the 3rd Battalion's Headquarters Company of the division's 16th Regiment at Fort Riley, Kan., Bolding entered the Army in September 1955 and completed basic training at Fort Jackson, S. C.

Pins Are Presented To Winn-Dixie Folk

A dinner was held in honor of Winn-Dixie employees of the Charlotte territory, having had five years of more service with this company.

An interesting resume of the small neighborhood grocery store of 25 years ago, compared with the modern supermarkets of today was made.

Special recognition was given Mr. J. C. Moore of Shelby, Mr. Moore has been with this firm over 25 years. Pins representing 25 years or more service were presented first. Mr. Moore and John Logan of Forest City were the two men receiving these gold pins studded with large diamonds.

Pins were awarded for five, ten, 15, 20, and 25 years of service. Yates Harbison, Bill Harris, J. U. Bolin, and John Patterson of the Kings Mountain store were among those receiving pins. Daniel Webster of the Bessemer City store also received a pin.

Actress Susan Hayward recently won the best actress award at the Cannes Film Festival. She is honored for her performance in "I'll Cry Tomorrow," the film adaption of the book by singer Lillian Roth relating her fight against alcoholism.

This Is The Law

By Robert E. Lee
(For the N. C. Bar Association)

INTEREST

What is the legal rate of interest in North Carolina?

Six per cent a year. That is, for a loan of one hundred dollars for a period of one year, the interest on the same is six dollars. By an agreement between the parties, the interest may be at a lesser rate of interest.

The rate of interest is not necessarily all of the expenses incurred by a borrower on a loan. These additional expenses may depend upon the business practices and policies of the particular lender, the financial responsibility of the borrower, and the type of property the borrower offers as security.

For example, if a person is borrowing money on real property, the borrower is customarily required to pay the lender for the services of the attorney employed to search the title to the property and to draft the necessary legal documents. The cost of registering the legal documents in the court house is paid by the borrower. Some lenders insist that title insurance be purchased and that a survey of the property be made, the cost of which to be paid by the borrower. The lender may also insist that adequate fire and casualty insurance be carried on the property. There is occasionally paid for the securing of the loan a brokerage fee or commission. The latter is sometimes called a "service charge," "origination fee," or "settlement charges."

Industrial banks and licensed loan agencies and brokers are permitted to charge a statutory loan fee and to deduct in advance

GET DEAD SURE CONTROL OF BOLL WEEVILS

with **aldrin**

Used on thousands of acres of cotton land, aldrin has proved to be one of the most effective insecticides for control of boll weevils. So effective is aldrin's killing power, that weevils and other major cotton pests are finished for keeps if they touch, taste, or breathe it.

Fast acting. Aldrin kills cotton pests fast—hours after application you will see dead insects. If it rains the next day, no matter—the kill is made.

Easy to use. Aldrin can be applied as a spray or a dust. Either way, you can be sure of effective, high kill.

Don't put up with boll weevils and other cotton pests this season—use aldrin! Aldrin is available under well-known brand names from your insecticide dealer. See him today!

youth, beauty,
Chevrolet,
action!

The new Bel Air Convertible—one of 20 sassy-styled new Chevrolets.

Want to take the wheel of one of America's few great road cars? Want to send pleasant little tingles up and down your spine? Then hustle on in and try out a new Chevrolet V8!

Now showing—the happiest "double feature" of the year! One part is bold, new Motoramic styling. The other is record-breaking V8 action.

Hollywood has a heap of words that describe it: colossal, stupendous, magnificent. We'll settle for just the name—Chevrolet.

Because once you've driven this sweet-handling showboat, the adjectives will take care of themselves. Horsepower that ranges up to 225 makes hills flatter and saves precious seconds for safer passing. And the way this Chevrolet wheels around tight turns would gladden the heart of a dyed-in-the-wool sports car fan.

Stop in sometime soon and highway-test this new Chevrolet.

CHEVROLET

America's largest selling car—2 million more owners than any other make.

AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. LET US DEMONSTRATE.
