

Unpaid 1955 County Taxes

As required by law, I, as Tax Collector of Cleveland County, will sell at the Courthouse Door in Shelby, North Carolina, on

MONDAY, SEPTEMBER 3, 1956, at 12 O'clock Noon.

for unpaid 1955 taxes due the County of Cleveland the following described real estate shown by name of owner, and the township in which it is located. The land described in each case is land owned by delinquent taxpayer as shown on the tax return or list.

There will be added in each case the amount of cost, penalty and interest to the taxes. This sale may be continued from day to day, at such time as may be provided by law, in the event such sale is not had or completed on the above date specified.

R. S. GIDNEY, Tax Collector.

Church Music School Is Set For Lutheridge

CHINA GROVE — Nearly two hundred musicians from five southern states will attend the fifth annual School of Church Music at Lutheridge, Lutheran assembly grounds at Arden, N. C., from August 26 to September 1. The largest faculty in the history of the school will be on hand to offer courses in all phases of church music and conducting for members of church choirs.

Members of the faculty include Leland B. Sateren of Augsburg College, Minneapolis, Minn.; Paul W. Peterson of Salem College, Winston-Salem, N. C.; Park B. Wagnell of Gettysburg College, Gettysburg, Pa.; L. David Miller of Wittenberg College, Springfield, Ohio; and Phillip K. Gehring of Davidson College, Davidson, N. C.

Director of the school is the Rev. Harold Terry, pastor of St. Mark's Lutheran Church, China Grove, N. C. The chaplain is the Rev. Michael C. McDaniel, pastor of Faith Lutheran Church, Faith, N. C. Accompanist will be Mrs. Kathryn Wagoner Koontz of Raleigh, Dr. J. Lewis Thornburg is full-time executive direc- tor of the Lutheridge assembly grounds, located midway between Asheville and Hendersonville in the mountains of western North Carolina.

The daily schedule will include courses in conducting for begin- ners and advanced pupils, funda- mentals of choral tone, choral repertoire and interpretation, music in church worship, child- ren's and youth choirs, and work- shops and master classes for or- ganists on elementary and advanced levels. A seminar will be of- fered on problems of organ pur- chase and installation. Individual classes in organ will be offered as time permits.

The evening schedule will in- clude an opening worship service on Sunday led by Rev. Mr. Mc- Daniels; Monday—organ concert by Mr. Miller; Tuesday—lecture on "The New Lutheran Service Book and Hymnal" by Mr. Sater- en; Wednesday—organ concert by Mr. Gehring; Thursday—faculty panel discussion on choir prob- lems; and Friday—closing concert of mass choir for guests and friends.

A music display will be pro- vided by Brody Music Company of Charlotte with Mr. Eugene Craft in charge. Cost of the school is \$25 which includes a folio of all music to be used during the week.

Public Getting "Box Seat" At Conventions

People in the Kings Mountain area are a part of the greatest audience in history—about 150 mil- lion Americans—at the tow 1956 political conventions in Chicago and San Francisco.

The public is "box seat" spec- tators due to the largest press and television hook-up in history. For the press, telephone companies have installed nearly 600 addition- al teletypewriters in the conven- tion cities a network of 760,000 miles of teletypewriter circuits is rushing the news to press out- lets for distribution to newspa- pers and to radio and TV news commentators.

Over 1,500 radio stations can receive the program from the Convention halls via the Bell Telephone System's radio pro- gram network.

Fifty TV channels were availa- ble when the Democratic Nat- ional Convention opened in Chi- cago, an increase of 72 per cent over the number used for the 1952 Conventions. Record amounts of public telephones, private lines, switchboards, telephone circuits and other communications equip- ment were installed. A good idea of the size of the communications job is the special telephone in Convention Hall which requires 110 unformed telephone men and women to serve delegates and visitors 24 hours a day. The center will take and relay messages to delegates on the floor and also handle long distance messages through a battery of telephone booths.

At the Republican Convention, beginning August 20 at the Cow Palace, 40 TV channels will be in operation instead of the three or four normally needed for a public event in San Francisco. In addition, other special com- munications facilities similar to those in Chicago will serve press and broadcasting people, dele- gates and visitors.

Nearly 73,000 miles of the Bell System's TV Channels will carry telecasts to 400 TV stations in 270 cities across the nation. More than 90 percent of all Americans will be able to see the Conventions. This compares to the 30,000 miles of channels which carried TV programs to 107 sta- tions in only 65 cities during the 1952 Conventions. There were an estimated 60 million viewers watching the '52 proceedings. To- day, practically the entire nation can watch the nomination of candidates and see the drama that springs from our system of selecting men for the highest public offices in the nation.

North Carolina's 1956 spring pig crop was the largest of rec- ord. Totals were 4000 more than the previous record crop produced in 1955.
