

Kings Mountain For Amendments

Kings Mountain township voters went to the polls in heavy numbers Saturday and put a heavy stamp of approval on the proposed Pearsall Plan legislation for public schools, as well as other amendments to the North Carolina Constitution.

Kings Mountain township thus joined Cleveland County and the state in approving each of the four proposals.

The voting here was conducted without fanfare, but the voting was consistent throughout the day.

The total township vote of 1822 represented about 19 percent of the county total and was only slightly shy of the totals cast in the May and June Democratic primaries.

Chief interest was shown in the Pearsall plan, with 1562 persons favoring the amendment, while 232 opposed. The margin in Kings Mountain precincts approximated 6 to 1, at Grover 20 to 1, and at Bethware 10 to 1.

Though the Pearsall Plan amendment concerned continuing segregation in the public schools, few Negroes appeared at the polls. Only seven voted at West Kings Mountain, only five at East Kings Mountain.

The state-wide vote exceeded 600,000 and favored the Pearsall legislation about 4 to 1.

Least favored locally among the other amendments was the one raising pay of members of the General Assembly, favored by 1133 township citizens, and disfavored by 412.

The township favored changing the date for convening of the General Assembly from January to February by 1278 to 251.

The township favored the amendment to allow husbands to convey powers of attorney to their wives by 1385 to 188.

Kings Mountain counting was completed by 8:30.

In early brickmaking, straw was thought to be necessary as a binder in mixing the clay hence the Biblical reference to "Bricks without straw."

Theatre To Show Pageant Finals

Showings of news accounts of the recent Miss America pageant finals at Atlantic City, N. J. will feature Joy Theatre's Saturday evening late show and Monday and Tuesday programs.

Announcement was made by S. E. Tutor, manager of the Theatre.

Marian McKnight, Miss South Carolina, was declared winner in competition for the Miss America title.

In the North American colonies, the first brick houses were built with brick brought over from Holland or England.

"Closed" Lunch Well-Received

Central school's "closed" lunchroom period for elementary pupils has been well-received, Supt. B. N. Barnes said Wednesday.

"I have had only a few complaints," Mr. Barnes said, "and these have been quite mild."

Mr. Barnes added that more than half the high school students are patronizing the cafeteria for lunch. Thus far, eating at the school cafeteria is not compulsory for high school students.

Mr. Barnes said the change has reduced to a minimum the former lunchroom hour confusion and materially enhanced the safety of Central pupils from the traffic standpoint.

The lunchroom menu at Central for the week beginning Thursday follows:

Thursday
Macaroni and Cheese
Fresh crowder peas
Sliced beets and onions
Cake with peanut butter
Copping
Milk
Bread

Friday
Franks
Meat Sauce
Potato salad
Slaw
Doughnuts
Milk

Monday
Luncheon meat
whipped potatoes
peas and carrots
pear salad with cheese
Milk

Tuesday
Meat loaf
Rice and gravy
String beans
Spiced apple Sauce
Milk

Wednesday
Lima Beans
Tomato catsup
Slaw
Corn muffin
Peach cobbler
Milk

Police Reported Several Mishaps

Kings Mountain Police department reported investigating several automobile accidents within the city limits this week.

Saturday, around 3 p. m., police investigated a two car collision at the intersection of W. King and Tracy streets. Drivers were listed as Paul T. Grady, of Grover road, operating a 1951 Plymouth. According to the accident report, the accident occurred when the 1951 Plymouth attempted to make a left turn. Both cars were traveling west, the report stated. Property damages were estimated at \$125.

A second accident of Saturday, police reported, occurred around 3:25 p. m. in the Cherokee street parking lot. A 1946 Chevrolet driven by Robert L. Williams, of Childers street, and a parked 1948 Chevrolet owned by Clarence A. Adams, of route 1, were involved, police state. According to the report, the accident occurred when the 1946 Chevrolet attempted to back from a parking place and in doing so, scraped the left rear fender of the 1948 Chevrolet. Property damages were estimated at \$15.

A third accident of Saturday was reported by police as occurring at the intersection of Piedmont avenue and Mountain street around 9:15 a. m. Listed as involved were a 1946 Ford driven by Necoda Bell, and a 1953 Elgin street sweeper driven by James M. Stepp, of route 1. Property damages were estimated at \$50.

Friday, cars driven by David S. Harkness, of Shelby, and Roger B. Turner, of route 2, Shelby, were involved in an accident at the intersection of King street and Cleveland avenue police reported. Harkness was listed as driving a 1956 Dodge, and Turner a 1954 Chevrolet. According to the accident report, the Chevrolet had stopped in a traffic lane attempting to make a left turn, and was struck from the rear by the Dodge. Property damages were estimated at \$500.

Police reported a 1953 Ford driven by Lee Ola Ray, of E. Ridge street, and a parked 1956 Chevrolet owned by Forest R. Ford were involved in a minor accident Thursday in the Cherokee street parking lot. The report stated the driver of the Ford, in backing struck the Chevrolet. Property damages were estimated at \$50.

Phenix Outing To Be Saturday

Phenix plant of Burlington Industries will hold its annual employee outing Saturday afternoon at Camp Cherokee in South Carolina State park.

R. L. Payne, personnel manager for Phenix, said the festivities will begin at 3 o'clock, and will include softball, a horseshoe pitching contest, motion pictures, prize drawings, a show of magic, and other entertainment.

J. S. Rotan, Phenix superintendent, will welcome the guests at 5:20 and Rev. W. C. Sides, pastor of Grace Methodist church, will give the invocation prior to dinner, which will be served at 5:30.

The domestic brick industry was established in Virginia in 1611 and in Massachusetts in 1629.

When Chips Are on the Table, Have Plenty

BY DOROTHY MADDOX

POTATO chips are easy to serve and always welcome. But be sure they are crisp.

Here are recipes for a variation on the standard potato chip, plus two unusually good dips.

Toasty Hero Chips (6 servings)

Pour a 4 1/2-ounce package of potato chips onto a cookie sheet and separate chips. Sprinkle lightly with a blend of 2 tablespoons grated Parmesan cheese and 1/2 teaspoon crushed basil or oregano.

Toast for 1 to 2 minutes in preheated oven (450 degrees F.). Serve at once with soup or salad.

Avocado Imperial (1 1/2 cups)

Four strips bacon, 1 large, ripe avocado, peeled and sliced; 1 tablespoon grated onion, 3/4 teaspoon salt, 1/2 teaspoon Tabasco sauce, 1 cup finely chopped watercress (about 1/2 bunch), light cream.

Saute bacon until crisp. Drain on absorbent paper and crumble into bits. Combine crumbled bacon, sieved avocado, onion, salt, Tabasco and watercress. Blend. Add enough light cream to

Potato chips, served with tasty dips, is an any-party, any-time treat. Serve with piping-hot coffee.

make mixture of easy-dipping consistency.

Chutney Cheddar Dip (1/2 cup)

One-half teaspoon Worcestershire sauce, 1/4 cup chutney, 1/4 pound (1 cup) grated cheddar

cheese, 1 1/2 teaspoons curry powder, 1/2 teaspoon bottled French dressing.

Chop chutney. Add grated cheese, curry, Worcestershire sauce and French dressing. Blend.

Grantham Is NCAD Chairman

W. G. Grantham of Victory Chevrolet Company in Kings Mountain has been appointed Area Chairman for Cleveland County, according to John M. Tiller of Durham, President of the North Carolina Automobile Dealers Association, who made the appointment.

As Area Chairman for Cleveland County, Mr. Grantham will

be the liaison between the state and national dealers associations and local dealers. He will also direct the two associations' annual membership campaign to be held October.

In announcing the appointment, President Tiller stated, "I am happy to have such a capable and outstanding man as Mr. Grantham in this most important position. I feel certain he will do a splendid job of keeping dealers and the public abreast of matters of interest in the retail automotive industry."

Waterflooding, a method of bringing up more oil by pumping water into the producing formation, today accounts for five per cent of the nation's crude oil production. By 1980 the figure will jump to an estimated 25 per cent; by early in the next century, an estimated 60 per cent of our production will come from water flood projects. Conservation practices such as water flooding assure America of oil for the future.

Pupil Enrollment Reaches 2,245

Kings Mountain area schools were settled down to normal schedules Wednesday and with enrollment only slightly below last year's figures.

Fifth day enrollment totals showed the city schools with 2157 pupils, only 11 below last year's fifth-day figures. Park Grace school listed 192 pupils, just 13 below last year's total. The area total was 2245.

B. N. Barnes, city schools superintendent, listed the following grade totals for all the city units:

First grade	200
Second	214
Third	239
Fourth	241
Fifth	171
Sixth	164
Seventh	171
Eighth	208
Total Elementary	1608
Ninth	124
Tenth	194
Eleventh	145
Twelfth	86
Total high school	549
Grand Total	2157

Mr. Barnes said teaching loads have been smoothed and that transferring of pupils to accomplish this are virtually complete. Heaviest teaching loads were reported in the third and eighth grades, but the maximum load in any room was 34, Mr. Barnes noted.

Central high school enrollment indicates the school may be qualified for one additional teacher, but Mr. Barnes said decision on whether allotment of an additional teacher by the state department of public instruction will be requested depends on average daily attendance during the first two weeks of school.

STRICTLY FRESH

THE fellow who leaves work early two or three times a week needs help of an optometrist, not a doctor. The poor guy is clock-eyed.

Taking candy away from our baby is about as easy as separating a tigress from her young.

Take a few melon-headed drivers, add some nuts behind the wheel of several other autos,

let simmer at an intersection in mid-day sun. That's the recipe for a traffic jam.

Stretch-to-any-size socks cover a multitude of shins.

The horn of plenty is the one which the guy behind you has on his car.

ONE PERMIT

Building Inspector J. W. Webster issued a building permit Wednesday to G. W. Hampton, Jr., to erect a garage on Landing street, at an estimated cost of \$600.

Pipe lines sometimes carry the natural gas of as many as 100 different producers.

People living in the immediate neighborhood account for about 80 per cent of the average service station's business.

Budget Payment HEATING

How'd you like to have your home heating bill for the **WHOLE YEAR** spread out over **10 EASY-TO-MEET INSTALLMENTS?**

That's the **BUDGET PAYMENT PLAN** we offer you heat with
