LOOPING THE LOOP - The Southwestern AA Conference race is taking a new look after the first half of

Shelby knocked off Belmont's Red Raiders last weekend 14-7 to take over the conference lead with a 3-0 record. The Lions, however, dropped a pair of contests earlier the season and have a 3-2 overall record.

Kings Mountain is the lone Southwestern squad without a defeat to blemish its record. But only two of the five wins have been against conference foes.

Rutherfordton-Spindale's hard-fighting team will meet the Mountaineers in City Stadium Friday night in an effort to change things around a little. The local boys have a 15-game, regular season, undefeated record on the line against the Hilltoppers. The only spot on an other-wise perfect record is a 7-7 tie against Forest City in the first meeting last season.

Shelby is going to be a hard team to beat. The Lions have a new head coach in the person of Gerald Allen, and a new multiple-offense attack.

Belmont tallied on their first play from scrimmage, but found a buzz-saw Shelby attack too much in the later portions of the tilt.

The Mountaineers have Rutherfordton, Lincolnton, Belmont and Shelby left in the conference, and a strong Dallas team in a non-conference tilt.

Shelby has Lenoir and Morganton out of the loop, Forest City, Lincolnton, and Kings Mountain in the con-

The Red Raiders will have to face Lincolnton, Forest City, Kings Mountain, Hickory and Morganton. Here the Mountaineers get a break. Belmont has to play the other teams before meeting th local team.

Shelby has three tough games, but get Lincolnton the week prior to the Mountaineer-Lion scrap,

Forest City could have an important part in deciding a conference winner. The Tornados have games left with both Shelby and Belmont, and the Tornado team is a tough one to beat.

RECREATION GRID PROGRAM — It has been brought to my attention that a proposed recreation program football team is having equipment troubles.

It seems that a large portion of uniforms belonging to the City Recreation Commission are missing. Only 20 uniforms were available when the 12-15 year old boys received equipment Saturday.

Bruce Thorburn, who is assisting in the program, would like for any uniforms belonging to the commission be returned if now in the possession of any former player. Parents could be a great help in this matter.

It boils down to the fact that the Recreation Commission does not have funds to purchase new equipment, and unless the old equipment is returned, the program will have to be ditched.

The future of Pony League football depends on the return of this equipment.

Anyone having equipment may call Bruce Thorburn at Bessemer City 9-2282 or Gene Mitcham at 196 and it will be picked up. Uniforms may also be turned in to Gene Mitcham at City Clerk's office in City Hall.

SERIES GLANCES — Monday morning the Yankees and Dodgers started over in a new World Series.

Brooklyn took the first two games without too much trouble in the friendly confines of Ebbets Field, but dropped a pair to the Yanks in their Stadium.

With the series tied at two games all, it will be a most interesting thing to watch the stragedy between Casey Stengal and Walter Alston.

Sal Maglie, come-back kid of the year, will be the key to a Brooklyn win of the Series, while Stengal will be matching youth against age in the form of Whitey Ford, Bob Grimm, and Johnny Kucks.

After Friday's contest, which saw Stengal set a new record of seven pitchers used by a single club, fans were wondering what had happened to the once unbeatable

The Yanks are lucky Cincinnati wasn't the team they were facing. With the power of the Redlegs against a faltering pitching staff, it might have been 33-8 instead

PARTING SHOTS — Things are really rough in the ACC this grid season. Duke, Maryland, Wake Forest, Carolina, and State have all lost two or more ball games with the season just under way.

East Mecklenburg had one of the biggest and best lines to face the Mountaineers this season. The locals, coaches and players, were glad to get a 7-0 win out of that contest.

Coach Shu Carlton says it will be hard for any Southwestern team to go undefeated in conference play this season. Teams are too equal in strength.

Tony Goins and Don Fisher are still the best defensive men on the Mountaineer squad. Both are used primarily on defense, and turn in excellent jobs every week. Fisher, a freshman, shows great promise of being one of the best all-round players in Kings Mountain history. Jimmy Blanton, also a first year man, is another boy that has great potential.

Fans are saying that Ken Baity and John McGinnis are sure things for the Southwestern all-conference team this year. McGinnis was chosen on the squad during 1955, along with several other Mountaineers.

George Harris seems to be doing all right for the Duke freshman team. Big George started against N. C. State's baby Wolfpack a couple of weeks ago, and tossed a touchdown pass in a losing 14-13 cause.

Mickey Mantle swept the triple-crown honors in the American League. This coupled with his 52 homers should give him a big wedge for a salary increase next season. I still don't believe he will get \$100,000, but some think differently.

Bob Feller says he won't be back with Cleveland next season. He contends that the Indians don't want him. It's a shame when a man as talented as Feller gets the gate. No doubt that Rapid Robert has been one of the best men ever to toe a mound. He probably would have rewritten some of the record books if the war hadn't interrupted his career. Al Lopez's departure is about the best news Indian fans have had in a long time.
