

USE NATURAL GAS

FOR HEATING - COOKING - REFRIGERATING - WATER HEATING

Save Money Now On Heating!

CHASE "FROSTY" OUT OF YOUR HOME WITH A

MONOGRAM GAS HEATER

Frosty (the cold air gremlin) hasn't a chance to hide from a Monogram Heater. Specially engineered burners provide hotter flame - get all of the heat from the gas. This keeps your home warmer for fewer fuel dollars. And forced draft circulation provided on larger models keeps up to 6 rooms at an even, comfortable temperature . . . automatically.

NEW! Quiet Operation

The new Monogram Gas Heater has a special cast iron heating unit for quiet operation. No popping! No ping! A new "comfort" plus with Monogram.

You can own a Monogram for as little as **\$3.00**

per week

* LP, NATURAL OR MANUFACTURED GAS

The Kings Mountain Natural Gas System proudly cooperates with all Kings Mountain dealers in gas appliances, gas space heaters and gas-fired central heating plants.

The Gas Department will cooperate with each and every dealer to assure patrons

- 1) Getting the correct appliance for their needs to conform to all safety requirements.
- 2) In properly locating the heating unit for best heating service.
- 3) In referring all purchasers of gas appliances to a licensed fitter to assure proper installations for both safety and top performance.

FOR THE PROTECTION OF GAS PATRONS AND GAS APPLIANCE DEALERS THE GAS DEPARTMENT STRICTLY ENFORCES ALL REQUIREMENTS OF THE SAFETY CODE AND REQUIRES INSTALLATIONS BY LICENSED AND INSURED FITTERS.

When having gas equipment installed - make sure the installer is licensed and insured with the city of Kings Mountain.

Please put your furnace in service before the cold weather rush. Regular service (other than emergency) provided daily to 4:30 P. M., Saturdays to noon.
