Tax Listing To End Friday

Tax listing, the annual January chore whereby citizens list personal and real properties for taxes, will end in Kings Mountain Friday and in Grover on Saturday.

Usually the listing period continues through January 31. However, since County Lister Conrad Hughes and City Lister J. W. Webster work as a team, there will be no Saturday listing here. Mr. Hughes will be at Grover on Saturday, as he has been on each Saturday during the month.

Both Mr. Hughes and Mr. Webster said they felt the pace of tax listing has been good and they think that vast majority of property owners will have accomplished the listing task by 4:30 p. m. Friday.

All citizens are required to list properties for ad valorem taxes, and penalties are provided for those who fail to list or who list late. Persons are required to list household furnishings, inventories, jewelry, pianos, television sets, dogs, automobiles and all other personal property.

Realty is automatically listed from prior year's records. However, persons who have transferred property should note the parcels transferred with their tax lister.

City Tag Law To Be Enforced

The City of Kings Mountain bought advertising space this week to remind auto owners that the city ordinance requiring purchase and display of city motor vehicle tags will be enforced.

The ordinance requires that all cars owned by in-city residents display the 1959 tags not later than February 15, same day they are required to display North Carolina license tags.

City Clerk Joe McDaniel said Wednesday that 859 city tags have already been purchased. This total is only about half the number purchased during 1958. The tags cost \$1, and are on sale both at the city office and in the police station.

Home S & L Shows Record Assets Gain

Home Savings & Loan association assets showed a record increase during 1958, A. H. Patterson, executive secretary and treasurer, told shareholders at the annual meeting Tuesday.

Mr. Patterson said assets grew \$457,053 to \$3,222,959. He also said that the Bessemer City branch office made substantial gains during the year with the Bessemer City branch's share of total assets at \$649,455.

Principal action of the shareholders was the re-election of directors who are Dr. J. E. Anthony, G. A. Bridges, J. H. Thomson, A. H. Patterson, Franklin H. Little, J. B. Mauney, I. G. Patterson, B. D. Ratterree, Jack H. White, and Dr. Paul E. Hendricks, all of Kings Mountain, and R. S. Plonk, of Bessemer City.

Immediately following the annual meeting directors re-elected all officers. Officers are Mr. Patterson, Dr. J. E. Anthony, president; G. A. Bridges and J. H. Thomson, vice-presidents; H. F. Little, assistant secretary-treasurer; and Mrs. Emily A. Herndon, assistant secretary. The association's legal staff includes David & White and George B. Thomasson.

Other points from Mr. Patterson's report included:

- 1) The association made 347 loans during 1958 totaling \$889,631, for a net increase during the year of \$457,053.
2) Mortgage loans at year end were 1,021 representing \$2,849,824.
3) The association added \$36,869 to reserves, bringing this total to \$286,437, a ratio to capital stock of 9.87 percent.
4) The association borrowed no money during 1958 and maintained a liquidity between nine and ten percent.
5) The association paid \$92,633 in dividends, an increase of \$12,606 over 1957 and a record total.
6) Savings accounts at December 31 totaled \$2,891,934.

Mother's March Thursday Night

The Junior Woman's club will conduct the annual Mother's March on Polko Thursday night from 7 until 9 p. m.

Mrs. Dick McGinnis is chairman of the house-to-house canvass which seeks to raise funds for the polio campaign now underway.

Kings Mountain contributors should leave their porch lights burning and women will contact them during the two hours designated for donations, Mrs. McGinnis said.

Members of the women's organization will gather at McGinnis Furniture Company to be assigned streets to canvass. Members of the Future Homemakers of America Chapter at Central high school are also assisting in this phase of the polio campaign which seeks to raise \$3000 in Number 4 Township.

"Our Mother's March, aimed at the four target areas of the National Foundation's expanded program, must be bigger and more vigorous than ever before," the chairman said. "We must assure early development of patient aid programs for children suffering from arthritis and birth defects. No longer marching on polio alone, we hope to mobilize many more women. For women are concerned with the healthy growth of children," she continued.

Wesley Bush is Kings Mountain chairman of the effort.

Red Cross Bloodmobile Will Pay Visit On Monday; Donors Needed

The Red Cross bloodmobile will come to Kings Mountain Monday, and officials of the chapter's blood program were anticipating the quota would be exceeded.

Kings Mountain area citizens showed a 115-pint blood giving deficit for 1958.

Commenting on the forthcoming bloodmobile visit, Mrs. J. N. Gamble, executive secretary of the local chapter, said reports had been received from six hospital listing residents of the chapter area who had received Red Cross blood. These came from Kings Mountain Hospital, Cleveland Memorial, Shelby; Gaston Memorial, Gastonia; Presbyterian and Memorial Hospitals, Charlotte, and Baptist Hospital, Winston-Salem.

Political Winds Are Still Chilly

Incumbents Are Expected To Run Again

Though the biennial city election is only slightly more than three months away, political activity thus far has been limited to inside jockeying by individuals. No candidates yet formally seek any office.

In May, citizens will elect a mayor and five ward commissioners, and one member of the city board of education.

Though no formal statements have been made, most political observers think that members of the present city administration will seek re-election to the positions they now hold.

Mayor Glee A. Bridges is expected to seek a fourth term, and Commissioners Ross Alexander, Boyce Gault, Luther Bennett, Ben H. Bridges and Coleman Stroupe second terms.

Several months ago there was speculation that Ben H. Bridges, Ward 4 commissioner and mayor pro tempore, would offer for the mayor's seat, but that likelihood apparently has diminished. Comm. Bridges himself says he "hasn't definitely decided."

Another who said he expected to seek the mayor's seat several months ago is D. L. Saunders, dry cleaner and laundryman. A re-match for the 1957 campaign is possible in Ward 3, where Luther Bennett defeated Tommy J. Ellison, veteran commissioner. Whether Mr. Ellison, who said at the 1957 swearing in ceremonies, "I'll see you in two years," will offer again has not been confirmed.

On the board of education, J. R. Davis is completing a six-year term. Though Mr. Davis' said recently he felt a six-year term too long, observers recall that at first indicated he would prefer not to offer six years ago.

Mrs. F. A. McDaniel, Jr., indicated several weeks ago she might offer for the school board post. Since 1957, the ward system, as it effected board of education elections, has been scrapped. Any citizen in the Kings Mountain school district is eligible to be seated for any of the five school board terms. The school board election machinery retains, however, the six-year term. Trustees J. W. Webster and A. W. Kincaid were elected to terms expiring in 1961 and Trustees P. C. Padgett and F. W. Plonk were elected two years ago to terms expiring in 1963.

Honor Society Inducts Members

Three seniors at Kings Mountain high school were inducted recently into the National Honor Society.

They include Carolyn Walker, daughter of Mr. and Mrs. Robert Walker; Martha Houser, daughter of Lloyd Houser, and Don Tignor, son of Mr. and Mrs. Audley Tignor.

Participating in the exercises were Mrs. Clarence Plonk, Jr., who was the speaker, and Mrs. James Logan, who presented the music. Both are former members. Mrs. Plonk (the former Julia Pollock) is the only sophomore student ever to be inducted into the organization.

Members of the society who presented the program were Bob Early, David Plonk, Gertrude Pearson, Mickie Lynn, and Peggy Black. Mrs. Josephine E. Weir is the faculty advisor.

Retailers Voting For '59 Officers

Members of the Kings Mountain Merchants association currently are balloting by mail for new officers and directors.

Nominees for president are Charles Blanton, Kings Mountain Drug Company, and Jonas Bridges, Station WKMT.

Nominees for vice-president are Richard McGinnis, McGinnis Furniture Company, and Menzell Phifer, Phifer Hardware Company. The members will elect four directors from a group of eight nominees who are: James Crawford, Allen's Flower Shop; A. B. Mileal, Sterchi's; Denver King, Belk's; Eugene McSwain, Joy Theatre; Ernest Hayes, Hayes Tire & Recapping; L. E. Hinnant, First National Bank; Franklin Little, Home Savings & Loan association; and J. C. Bridges, Bridges Hardware.

SALINE PLAYERS

The Saline Players will give a performance of "Huckleberry Finn" Thursday afternoon at 2:15 p. m. at Central high school auditorium. Admission is 35 cents for adults, 25 cents for students.

Seven To Play At Band Clinic

Seven Kings Mountain high school band members will participate in a state-wide high school band clinic at Gastonia Friday and Saturday.

The seven are Ann Broadwater, Carol Goter and James Forrest, clarinetists, Sandy Campbell, alto saxophonist, Billy Shufford, trombonist, Bobby Eearly, French horn, and Le Compte Wright, bass.

Friday try-outs will be followed by clinical work and two concerts, one by students, another by bandmasters.

Frank West, Davidson college bandmaster, will be clinic music director. He will be assisted by Lou Bean, Hickory, Ravon Smith, Cherryville, Frank Widenhoe, Belmont, and Jack Stern, Charlotte.

Mr. West will demonstrate playing of the oboe and French horn, and Phil Grant, Band of America, drummer, will demonstrate drums. L. O. McCollum will demonstrate bassoon playing.

Bridges Heads Heart Campaign

J. C. Bridges, chairman of the Kings Mountain area heart fund drive for 1959, announced Wednesday his soliciting organization for the February campaign.

Mr. Bridges said the soliciting organization is virtually complete and noted that Kings Mountain area citizens contributed more than \$3,000 to this fund last year. Campaign committee chairmen will include Charles Blanton, retail business; Mrs. Jack White, who will superintend Heart Sunday activities; and Dr. D. F. Hord, professional.

Industrial and employee chairmen are: W. B. Grimes, Burlington Industries; Dr. W. L. Mauney, Bonnie Cotton Mills; B. S. Peeler, Jr., Elmer Lumber Company; Jack Mercier, Ellis Lumber Company; W. M. Herndon, J. E. Herndon Company; Mrs. Clyde Kerns, Kerns Brothers; J. H. Patterson, Kings Mountain Manufacturing Company; Paul Lancaster, Kings Mountain Mica Company; Frank Burke, Lambeth Rope Corporation; James E. Amos, Massachusetts Mohair Plush Company; George H. Mauney, Mauney Mills and Mauney Hosiery Company; John C. Smathers, Park Yarn Mills; George H. Houser, Sadie Cotton Mills; Ralph Johnson, Slater Brothers; Mrs. George Thomasson, Superior Stone Company; and Jack Hauser, Waco Sportsware.

Chairman Bridges pointed out that diseases of the heart and blood vessels claim 800,000 lives in the United States annually, and effect another ten million annually. Heart trouble is by far the largest killer, claiming more than twice the total than cancer, its nearest competitor for the dubious honor.

Funds obtained in the annual campaign are used for research to discover improved treatment techniques.

Mrs. Ledford's Rites Conducted

Funeral rites for Mrs. Ella Gales Ledford, 78, were held Sunday at 3 o'clock from Temple Baptist church, interment following in the Patterson Grove cemetery.

Mrs. Ledford succumbed Friday night in Kings Mountain hospital following an illness of one month.

A native of Burke County, she was a daughter of the late Mr. and Mrs. Eli Gales. Her husband, Cicero Ledford, died in 1939.

She was a member of Temple Baptist church.

Surviving are four sons, Roy Ledford, Richmond, Va., Clarence, Earl, Paul, all of Kings Mountain, and four daughters, Mrs. F. C. Humphries, Mrs. Jack Hullender, Mrs. Clyde Murphy, and Mrs. Frank White, all of Kings Mountain. Also surviving are two sisters, Mrs. Frank Pruitt, Casar, Miss Vassie Gales, Conely Springs, and 28 grandchildren and 37 great-grandchildren.

The final rites were conducted by Rev. Jack Weaver, Rev. Harvey McElroy, and Rev. W. F. Monroe.

New School Band Uniforms Arrive

The high school band's new uniforms have arrived, and excepting a few minor alterations, are ready for use.

Director Charles Ballance said the new uniforms will be used in a forthcoming parade through the business district and also at a forthcoming concert.

The uniforms, purchased through funds donated by Kings Mountain citizens, have black coats with tails and orange trousers. The coat bears a shoulder patch with replica of the Kings Mountain National Military park monument. The slant-top chacos are also orange.

The new uniforms replace those in use by the school band for the past 20 years.

Saturday Last Day To Pay Taxes At Par

Saturday will be the final day to pay 1958 city and county tax bills minus penalties.

State law specifies that penalty of one percent be added, effective February 2, which is Monday. City Collector J. W. Webster said he anticipated a last-minute rush of prepenalty tax paying this weekend, as many taxpayers wait until a few days before the deadline to pay tax accounts.

He noted that city offices will close Saturday at 11:30 a. m.

Mr. Webster said he had not completed a report of payments thus far in January, but estimated several thousand dollars have been paid this month.

Through December, city tax payers had paid \$97,968.65 against the levy (including poll taxes) of \$152,603.72.

Monthly penalties continue to accrue after the penalty period begins.

PROMOTED - William E. Horst has been promoted to assistant manager in research and development in the minerals division at Kings Mountain's Foote operation.

Horst Gets Foote Promotion

William E. Horst has been promoted by Foote Mineral Company to the position of assistant manager, Minerals Beneficiation Research for Research and Development headquarters.

Mr. Horst came to Kings Mountain in June 1957 from Foote's Berwyn, Pa., plant where he was a metallurgical engineer in the research and development laboratories.

A native of Normal, Ill., he received the degree of bachelor of science from Missouri School of Mines and Metallurgy where he received an appointment as a research fellow in metallurgical engineering and subsequently his master's degree. He was employed by the United States Smelting, Refining, and Mining Company at Baynard, New Mexico prior to entering the army, and attended the Engineers Officers Candidate school in Virginia, commissioned Second Lieutenant in the Corps of Engineers.

In addition to research activities, Mr. Horst has written several technical articles and is a member of the American Institute of Mining and Metallurgical Engineers, Tau Beta Pi, Sigma Xi, and Phi Kappa Phi. He is married to the former Margaret Ann Millard of Webster Groves, Mo. They have a son and daughter and reside in Shelby.

Mrs. Ledford's Rites Conducted

Funeral rites for Mrs. Ella Gales Ledford, 78, were held Sunday at 3 o'clock from Temple Baptist church, interment following in the Patterson Grove cemetery.

Death Claims Kings Mountain Concert Pianist

Ernest Jacob Mauney, 34, Kings Mountain native and concert pianist, died at 12:30 Wednesday afternoon in New York City's Memorial hospital.

Cause of death was acute leukemia, from which he had suffered for the past seven years. He had entered the hospital Sunday.

Son of Mr. and Mrs. W. K. Mauney, of Kings Mountain, Ernest Jacob Mauney was half of a professional concert piano duo team with his twin brother Miles Mauney. His parents and other members of his family were notified of his death at Charlotte Municipal Airport, where they were shortly to embark for upstate New York, where the piano team was scheduled to play at a Monday night concert.

Graduated from Oberlin Conservatory of Music in 1947, Mr. Mauney and his brother studied further in New York before embarking on a professional piano career eight years ago. They have played concerts in virtually every section of the United States and were recently acclaimed by reviewers after a concert at Town Hall in New York. He was a veteran of World War II.

Funeral arrangements were incomplete Wednesday afternoon. Interment is to be made here.

Surviving, in addition to his parents, are his wife, Mrs. Doris White Mauney, a son, Christopher Glenn Mauney, and a daughter, Jeanne Mauney. Also surviving, in addition to his twin brother, New York City, are three brothers, W. K. Mauney, Jr., George H. Mauney and David Mauney, all of Kings Mountain.

He is married to the former Jean Webb. With their two daughters, Cathy, age 7, and Libby, age 5, they reside at 1242 Chandler Place in Charlotte.

Election Change Report Planned

The special committee appointed recently to recommend possible changes in the city elective system probably will report to the city commission on February 11.

Ben H. Bridges, a member of the committee, said the group convened on January 21, but took no formal action.

The board of commissioners had discussed the proposal on January 14 and indicated approval of suggestions to elect city officers to four-year rather than two-year terms. Plans were tentatively discussed to stagger the terms, with only half of the six elective city offices would be vacant each biennium.

Since the plan would not become completely operative until 1961, the board must determine which offices will be filled for two years and which offices for four years at the approaching May election.

In turn, the General Assembly, which convenes Tuesday, would have to amend the present city charter to effectuate the proposals.

Other members of the committee are Comm. Boyce Gault, City Attorney J. R. Davis and City Clerk Joe McDaniel.

Blanton's Political Memory Box Has Kings Mountain In Top Spot

I told my cohorts it was nice for them to furnish us an escort. They escorted us to City Hall. I also remarked they probably wanted to serve refreshments.

"Mr. B. T. Beam and Mr. Oscar Mooneyham, two of our prominent local attorneys, and Mr. Leonard Lowe, the present Solicitor of this District, got out and entered the building, leaving the rest of us in our cars.

"We had begun to wonder what was holding them up, when they returned, and told us we had all been arrested. It seemed that Kings Mountain had a city ordinance against sirens or open public address system announcements. We were informed to report to court on a later date.

"Due to efforts of Gilbert Hord, a former citizen of Kings Mountain, and others, we were notified later that the matter had been dropped."

Mayor Blanton was treasurer of the successful Jones campaign for Congress. The incident occurred during the spring of 1950.

PROMOTED-David Neill, Kings Mountain native, was recently promoted to Trust Officer by American Commercial Bank of Charlotte. He joined the firm in 1955.

David Neill Gets Promotion

David M. Neill, native of Kings Mountain and son of Mr. and Mrs. B. S. Neill, has been promoted from assistant trust officer to trust officer of American Commercial Bank, Charlotte, following action of the Board of Directors of the bank at their recent January meeting.

Mr. Neill joined the bank's staff in June, 1953. He is a graduate of Davidson college, Hanover Trust School in New York City, and the School of Financial Public Relations at Northwestern University. At present he is chairman of the Financial Public Relations Association's trust section, and is active in the Charlotte Estate Planning Council.

He is married to the former Jean Webb. With their two daughters, Cathy, age 7, and Libby, age 5, they reside at 1242 Chandler Place in Charlotte.

Lions Heard AFS Student

"We have the same bonds, we have the same aims - peace in a world of turmoil."

This is the opinion of a Shelby high school senior following a summer in Germany as an American Field Service exchange representative.

Miss Beth Wallace, the Shelby student, spoke to members of the Lions club Tuesday night, gave her impressions gleaned from a summer in Germany, and showed color slides of scenic and historical shrines in Germany.

Miss Wallace said she was treated as a member of the family she visited.

She was disappointed, she said, in German religion, noting that few citizens attend church regularly and that young people seem notably disinterested in religion. The women are more active in religion than men, she said, and the churches have no youth programs.

"However, the Germans don't think the United States very Christian either," she commented.

Miss Wallace said that America is unpopular abroad today and attributed this result to the attitude of American tourists who tend to brag, to a similar attitude among some American soldiers abroad, to some American films and literature.

She had the impression foreign aid didn't improve the situation.
