Cancer Group Maps Plans For Bureau

Volunteer cancer workers from over Cleveland County met Friday night at the County Health Center with Chairman A. V. Nolan of the education committee to formulate plans for a speakers bureau.

Chairman Nolan pointed out that members of the speakers bureau will be available for all club, civic, church and social meetings in an extensive educational program on cancer.

Dr. Warren Collins emphasized the importance of getting educational information to the public and to alert everyone to the seven danger signals of cancer.

Mrs. Mal Spangler, a cured cancer patient and active with the local organization since its reactivation several years ago, pointed out the Society's work over the county. She cited activities of the service committee which goes to cancer victims regardless of their need, and follows through with any aid that is necessary.

Reporting for the cancer clinic, Dr. Z. P. Mitchell said 448 examinations were made during the past year with 389 of these being white women. Only 32 white and three colored men were examined, he said, and urged the necessity to wake up men to take time for regular checkups.

Dr. Avery McMurry, who was cited at the January board meeting of the N. C. Unit of the American Cancer Society for his volunteer service as chairman of the cancer prevention study, pointed out the interest taken by families in every section of the county toward cancer and predicted a warm reception to the educational program being launched.

Dr. McMurry's chairmanship of the local cancer prevention study exceeded all others in the state in number of families contacted and reported, it was pointed out by state Committeeman Fields Young.

Members of Chairman Nolan's speaker's bureau include: Mack Matheson, Rev. Paul Cobb, John Ed Davis, Joe Craver, Rev. C. O. Greene, Rev. James Stokes, Rev. A. B. Wood, Mrs. Holmes Harry, Miss Jessie Ann Wingo, Miss LaUna Brashears, Mrs. Reed Wilson, Mrs. W. C. Loggett, Joe Hedden, Rev. W. P. Gerberding, Martin Whisnant, Fields Young and Mr. Nolan.

CARBOHYDRATES NEEDED IN DIET — Did you know that carbohydrates save certain B vitamins? Besides they supply get-up-and-go energy and save protein for its special role of building and repairing cells.

There's no doubt about it, a good way to include carbohydrates in the diet is through fruits and vegetables, milk, enriched and whole grain bread and cereal in menus each day.

TOE THIAMINE LINE — Eat enriched or whole grain bread and cereal each day, too, to get your thiamine quota. And researchers also say that we would eat other foods that help one to toe the thiamine line—ham, pork, liver, peas, beans, and asparagus.

THIAMINE SYMPTOMS—A person may be suffering from a thiamine deficiency when he wobbles as he walks. In the early stages of a thiamine deficiency, one is nauseated, depressed and irritable. As the deficiency progresses, one becomes weaker,

Mr. Hannon's Father Passes

Funeral for Marion W. Hannon, 66, of Clover, S. C., was held Thursday from Canaan Methodist church of Smyrna.

Mr. Hannon, father of Jessie L. Hannon of Kings Mountain, died Wednesday morning at the Divine Saviour hospital in York, S. C. from injuries received in an auto wreck Monday.

Other survivors include his wife, Mrs. Ethel Martin Hannon; three other sons, four daughters, 33 grandchildren, and three half-brothers.

The city of Camden, Maine, built a monument to the doughnut hole. World Book Encyclopedia reports that the statue honors Captain Hanson Gregory, who invented the doughnut hole in 1847.

Youth Week Now Underway

Youth Activities Week is underway at East Gold St. Wesleyan Methodist church, with a full program of activities planned for the young people.

The activities began on Sunday, with a joint meeting of the East Gold St. and First Wesleyan church groups who attended the fifth Sunday convention at First Wesleyan.

Both church groups held a social and get-together on Monday evening at the First Wesleyan church. Games and refreshments featured the party.

The two church groups held a quiz show program at First Wesleyan church on Tuesday evening and on Wednesday evening the young people conducted prayer services at the two churches.

On Thursday evening the young people of East Gold St. church will visit the Firestone Wesleyan Methodist church in Gastonia and on Friday and Saturday the two Kings Mountain churches will hear Dr. Rickman from Central Wesleyan Methodist college present the program at First Wesleyan church.

The youth of the church will conduct Sunday services at East Gold St. church. The Kings Mountain High School Chorus will render a musical program.

Koreans Honor Missionaries

The government of Korea has sponsored a special anniversary service celebrating the 75th anniversary of Protestant missions in Korea.

Some 450 missionaries of all denominations came to Seoul, the capitol, where they were honored by the government with the commemorative service, dinner and a performance of Korean folk songs and dances. Among them was a Presbyterian, U. S. missionary, Mrs. George T. Brown supported by Kings Mountain's First Presbyterian Church.

A congratulatory speech by President Syngman Rhee was read. And the assembled missionary community was thanked for their own and their predecessors' labors in introducing the Christian faith to Korea.

Missionaries said this may have been the first time in the church's history that a government has sponsored such a program.

The Korean church is said to be the largest Protestant church in Asia, and Seoul holds the greatest number of churches in proportion to population of any city in the world.

Maine was once the property of Massachusetts. According to World Book Encyclopedia, Massachusetts bought the other state for about \$6,000 in 1677 from the heirs of Ferdinando Gorges, who had received the land as a gift.

IT'S FUN-TASTIC

STEP IN IT—STEP OUT IN IT

Get the quiet proof of Chevrolet's superior performance on the road—No other car in the low-priced three can match the borne-on-the-wind sensation you get from a ride in the 1960 Chevrolet. But that's not surprising when you consider to what lengths Chevy has gone to provide for your comfort at no extra cost to you. As you drive, count the ways Chevrolet has been thoughtful:

Supple Full Coil suspension—Coil springs at all four wheels melt bumps as no other suspension can. Taking the punch out of rough roads is their only function—they don't have to anchor the rear axle.

Butyl rubber body mounts—Thicker, newly designed body mounts further insulate you from the road.

Body by Fisher—Only Chevy in its field offers the polish and craftsmanship of Body by Fisher.

Foam cushioned seats—Chevy offers foam cushioned seats in both front and rear in all series but one.

Safety-Girder frame—X-built and not merely X-braced, the Safety-Girder frame affords greater rigidity to minimize twisting and squeaks.

Hydraulic valve lifters—Oil hushed hydraulic valve lifters reduce engine noise to a whisper.

Cushioned steering shaft—A universal joint and cushioned coupling keep those annoying road tremors from the steering wheel.

Precision balanced wheels and tires—Here again Chevy has shown concern for your comfort by eliminating vibration in this vital area—tire life is longer, too.

Easy steering ratio—Chevy's high ratio Ball Race steering takes the work out of steering for you.

Superior weight distribution—Chevy rides better, handles better and stops better because the car's weight is more equally divided between the front and rear wheels.

Wide choice of power teams—Choose from 24 different power combinations to satisfy the itchiest driving foot—more than any other car.

Now—fast delivery, favorable deals! See your local authorized Chevrolet dealer!
