

# 1910 BOY SCOUTS GOLDEN JUBILEE YEAR 1960

## BOY SCOUT WEEK

FEBRUARY 7-13

SIGNALIZES THE 50TH ANNIVERSARY  
OF THIS ORGANIZATION....

It's better to build boys than to mend men, the saying goes — and for 50 years the Boy Scout organization has been doing just that. Be prepared is their motto and scouting has turned out many able men.

The active youth of America, through scouting, are provided wholesome activities for their busy minds and bodies. The scouts are moving onward.

Congratulations, boys. Keep up the good work.
