Gardner - Webb Summer School Is Opening

Boiling Springs — Gardner-Webb College summer school will open its 1960 session Wednesday with an increased enrollment, Dean J. O. Terrell, Director, announced today. Registration will be held Tuesday, June 7.

The faculty completed with the securing of Dr. A. Paul Gratiot of Limestone College to teach English and history, includes: Hubert C. Dixon, mathematics; Paul Stacy, biology; M. A. Mosely, Jr., chemistry; Miss Elisabeth Mabus, Spanish; Miss Kathryn Copeland, English literature; Norman Harris, health and physical education; and Dean J. O. Terrell, American history.

Courses will be offered in freshman and sophomore English, chemistry, biology, American history and Western Civilization; elementary and intermediate Spanish, college algebra, plane geometry, plane trigonometry, and analytic geometry.

Applications now stand at 90, which is well ahead of this date last year. While registration is Tuesday, a person may register as late as Wednesday, June 15, and still receive credit.

An estimated 7.1 million persons were at work on the nation's farms during the week beginning April 17. This was three per cent less than at April of 1959.

STATE COLLEGE Hints To Homemakers

SUMMERTIME FROZEN FRUIT PUNCHES — Something new and different! Four new frozen fruit punches, Strawberry-Lemon, Grape-Lemon, Raspberry-Lemon and Pineapple-Lemon, are on the market. Essentially they are a combination of fresh lemon juice and the fresh fruit puree concentrated and frozen. Look for them.

The punches are a good source of Vitamin C as well as many of other nutrients.

Try a Buttermilk Frost. Stir in a tablespoon or two of your favorite frozen fruit punch into a tall glass of buttermilk.

Dress up canned fruit cocktail with your favorite flavor of partially thawed concentrate for fruit punch. Garnish with whipped cream and mint leaves.

Who doesn't like ice cream sodas? Put a scoop of vanilla ice cream in the bottom of a glass. Add two tablespoons of frozen concentrate fruit punch (your own choice of flavor) and fill glasses with ginger ale or carbonated water.

DAIRY PRODUCTS ADD FLAVOR TO FOOD — June is Dairy Month and the National lunch is to top ready-to-eat cereal with soft ice cream and fresh fruit or berries.

Also a dab of sour cream on fresh fruits or berries with a sprinkling of brown sugar and a dash of cinnamon or nutmeg makes a delightful summertime dessert.

ONLY CAR WITH WIDE-TRACK WHEELS
Wide-Track widens the stance, not the car. With the widest track of any car, Pontiac gives you better stability, accurate control, less lean and sway.

Nothing straightens S-curves like a Wide-Track Pontiac. You come out of a curve scarcely aware you've been in one. You wind your way with feather-touch control. You feel a reassuring absence of lean and sway, better balance and stability. Narrow track cars can't compare.
