## Kings Mountain Girls Among Sub-Debs Presented At Charity Ball On Saturday

The Junior Charity League's 15th annual Sub-Debutante ball held Saturday night, June 4, at the Shelby Community Center climaxed with brilliance and splendor the days of festivity for the Sub-Debs who were presented to society at the affair.

The Community Center ballroom was transformed into an unusually elegant setting for the occasion. The decorative highlight of the stage was a white and silver winding stairway silhouetted against a sapphire blue background. On either side at the foot of the stairs white and silver newel posts held two immense silvered candelabras with crystal prisms enhancing the eight lighted branches of each.

A further decorative note on the stage was a curved white ornamental railing forming a niche for the orchestra. Gracefully hung swags of white tulle, flecked with silver, on either side of the stairway completed the background.

Decorative highlights out in the

ballroom were two large mock crystal chandeliers, which caught and reflected the sparkle of many lights. Surrounding the chandeliers the ballroom ceiling was covered with white nylon gathered into graceful puffs, giving a cloud-like effect.

One hundred and five lovely young girls from Shelby and surrounding Western North Carolina cities made up the list of those presented. They wore formal white ball gowns, long white gloves, and each carried an arm bouquet of red roses, tied with red ribbons and long streamers.

Each debutante entered the stage from a landing on the white and silver stairway, came to the front of the stage and stood smiling for a moment as she was introduced. Then she descended a brief stairway to be joined at the foot of it on the main floor by her two escorts. Each girl and her two escorts were spotlighted as they walked the length of the ballroom floor.
