

STATE COLLEGE Hints To Homemakers

MONEY - SAVING HOUSEHOLD HINTS — for thrifty farm wives all over the nation. These were taken from a good farm magazine.

Keeping a measuring cup in

the laundry detergent — end extravagant guessing. Use exact amount needed just to give the suds recommended on the package. For a low-suds detergent, use only enough to make water feel "slippery." Too much is not only costly, it wears clothes.

Make your own pancake syrup, saving 1/3 to 1/2 the cost of "store bought." Simmer 2 cups dark brown sugar, 1 cup of wa-

ter until slightly thickened. Add maple flavoring or enough genuine maple syrup to taste, if desired. Store in refrigerator to prevent mold.

Fold linens by hand after ironing; creases pressed in with an iron weaken the fibers, make them wear out faster.

Save money by buying mild cheese instead of sharp. Add a little Worcestershire sauce in a

recipe and it will taste about the same.

If you are short one egg white for meringue, or for folding in, just substitute one tablespoon of water.

Save outside lettuce leaves, though slightly wilted; simmer them in homemade soup for flavor. And celery leaves superbly flavor chicken baked in the oven, pot roast, or oyster stew.

Scout News

Troop 1 of the Presbyterian church learned how to do fire by friction. Mr. Moss and Mr. McKelvie were the ones who taught us. After that we played a game. Then we cleaned up the Scout Hut. We then adjourned and went home.

Actually, a medium-size potato — boiled, pressure-cooked, or baked — provides only about 100 calories. This is approximately the same number as a large apple or orange or half of a large grapefruit.
