The Veterans Corner

Here are authoritative answers by the Veterans Administration to questions from former servicemen and their families:

Q—I am on active duty in the Army with a part time job when of duty. If I am disabled or killed on that job, am I or my dependents eligible for compensation from the Veterans Administration?

A—Yes. If you should be killed accidentally, through no fault of your own, your dependents would be eligible for death compensation under the present law. If you should be disabled you would become eligible for compensation after your separation from the service.

Q—President Kennedy recently asked the VA to pay 1961 GI insurance dividends as soon as possible. When will this be completed?

A—Payment of the 1961 dividend was completed by March 17, 1961, with the exception of some veterans not reached because of address change, etc.

Q—I have found an error in my World War II service record. When can I get it corrected?

A—Submit proof that your record is incorrect to the service involved — Army, Navy, Air Force or Coast Guard — immediately. Generally, application must be made within 3 years after discovery of the error or before October 26, 1961, whichever is later.

Q—Is there a simple way to determine whether a veteran or dependent is eligible to receive pension under the old or new pension laws?

A—Yes. The magic date is June 30, 1960. A veteran or dependent receiving and entitled to receive a pension from the VA on June

Director Hedden was pleased with the fine reception given his band by the Bethware students. The entire Bethware student body attended the concert.

Freeman Heads G-W Students

Boiling Springs — Charles W. "Buddy" Freeman, ministerial student from Kings Mountain, will head the College Government Association at Gardner-Webb College for the 1961-62 school year. He was elected president in recent campus-wide elections. He is the son of Mr. and Mrs. Coley D. Freeman of Kings Mountain.

One of the most spirited campaigns in recent college history marked the elections this year. In the presidential race, four candidates vied for the top student office. The close vote resulted in the necessity of a run-off between Freeman and football standout Ken Sanford of Hartwell, Ga. Only a few votes separated the two students when the

final tallies were made. Other students who were in the initial contest were Bobby Hoover of Lawndale and Hoyle Alexander, Jr. of Gaffney, S. C.

Nancy Sorrells, honor student from Waynesville and a religious education major, was elected to the vice-presidency. Her parents are the Rev. and Mrs. W. L. Sorrells.

Named secretary of the College Government was Priscilla Linder, religious education major from Cowpens, S. C. Her parents are Mr. and Mrs. James W. Linder.

Students running for governmental office are named by a nominating committee or by student petition.
