### Monday Court Session Brief

Monday's session of City Recorder's Court was brief. Judge Jack White disposing of docketed cases in about thirty minutes.

Dispositions: Ralph Weaver, 504 W. King Street, issuing a worthless check, posted \$6 jury fee and requested a jury trial.

Mr. Weaver was also charged with seven counts of forgery, the checks allegedly amounting to some \$189. The charge was pressed by Milton Hope of H. & H. Used Cars, Weaver's employer.

Weaver entered a plea of not guilty to the charges and asked that preliminary hearing be waived and the cases be transferred to Superior Court for trial.

Judge White set bond at \$150 for each forgery count.

John Martin, 18 Bennett Drive, violation of the North Carolina compulsory school law, continued until next Monday's Court session.

Perrie Louise Mullinax, Blacksburg, S. C., trespassing, found not guilty.

Ten other cases involved liquor violations.

### Police Report Two Accidents

Two automobile accidents, both involving little property damage were reported by city police this week.

The first occurred Friday at 5:30 p. m. on E. King Street and involved vehicles driven by James Layton Lee of Hones Path, S. C. and Harvey Massey of 2901 South West Boulevard, Charlotte.

Investigating officer R. R. Carrigan reported Lee, driving a truck, stopped for a signal and Massey, driving a 1959 Pontiac, ran into the back of the truck.

Damage to each vehicle was estimated at \$10.

The second accident occurred on Railroad Avenue at 5:10 p. m. Sunday and involved a car driven by Donnie Austin Murphy of 2020 Manor Road, Charlotte.

Investigating officer Ellis King reported Miss Murphy was going south on Railroad Avenue when a car in front of her stopped suddenly. She went up on the sidewalk to miss the car in front, but hit a garbage can, doing about \$10 damage to her car's right front fender and about \$5 damage to the garbage can.

### School Board Names Teachers; Principals

Board of Education members, in a called meeting last Thursday at Central School elected teachers and principals for the Kings Mountain City Administrative unit.

Supt. B. N. Barnes offered for election teachers recommended by school principals and district school committee.

Mr. Barnes noted at the session that the consolidation of the No. 4 Township schools into one unit posed some difficulty in the teacher election, since in the fall term a teacher may not necessarily be an instructor in the same school she or he taught in last term.

In other action the board:

2) Discussed a request from the Battleship North Carolina drive that each school child in the city system be asked to contribute 10 cents to the fund which will be used to purchase the battleship and make a memorial of it in a park setting in Raleigh.

Supt. Barnes noted that the policy has been that no fund drives except directly connected with school children — such as the Junior Red Cross, have been allowed in the schools.

The board agreed that if the children wished to contribute to the fund, the drive would be acceptable, and if not, the drive could be handled in the P-TA's of the various schools.

Authorized Supt. Barnes to set up and operate a summer school if interest warrants it.

Toll Order A hotel keeper in Worcester, England, is looking for tall girls to serve as waitresses. He will pay them 50 cents a week for every inch of height.
