

### BurMil Is 1962 LL Champions

Five games were reeled off in Little League play last week to complete the regular season action with BurMil downing Park Grace 5 to 0 to take the 1962 Kings Mountain Little League championship.

The Lions were upset 5 to 2 by the Rescue Squad but backed into the runner-up position when the Jaycees fell to the Optimists 5 to 1.

Rounding out the league's first division teams is the Kiwanis nine which routed the Police Club 13 to 1 and pinned the Optimist 8 to 3 to lead past Park Grace in the standings.

BurMil got two hit, thirteen-strikeout pitching from Darrell Putnam in posting its 5-0 shut-out victory over Park Grace. The win is the champs record to 12 wins and 1 loss.

Keith Carroll unleashed the big blow for the winners, a two-run triple in the fifth inning. Rocky Bennett had two singles to lead the BurMil hitters.

Steve Bell and Charles Green collected one hit each to account for all the Park Grace hits.

The Kiwanis scored five runs in the second and six in the third in the 13 to 1 defeat of the Police Club Wednesday.

Hicky Grahl and Richard Etheridge were the leading hitters for the winners. Grahl had two singles and a double for a perfect night at the plate. Etheridge had two singles and three runs scored for four trips.

Four hits accounted for five runs as the Rescue Squad upset the second place Lions Thursday night. Green was the winner for the Rescuers as he allowed only two hits in picking up the win.

The two for three posted by Reynolds led all hitters at the plate.

Five runs in the bottom of the

fourth provided the Optimist with margin to spare as they jumped the Jaycees 5 to 1 in the nightcap Thursday.

Nelson Conner and Bowen were the big guns for the winners. Each had a two-base hit in the five-run inning.

Joe Cornwell had a single and a double in two plate appearances to lead the losers at bat.

In a makeup game Friday night the Optimist went into the fifth frame with a one-run lead and came out trailing by four as the Kiwanis picked up win number five in the night. The six-run fifth provided all the difference as the Optimist fell 8 to 3.

Larry Gantt singled and doubled in two at bats for the losers. Darrell Whestine had two hits and two runs in three trips for the winners.

Line Scores:					
Pol. Cl.	001 000	— 1	2	3	
Kiwanis	256 00x	— 13	15	2

Four fatal traffic crack ups occurred in North Carolina last year when drivers were apparently taken ill according to a special study by the State Department of Motor Vehicles.

Other conditions affecting the driver's physical make up before the crash included fatigue 15, asleep at the wheel 25, defective eyesight, hearing, etc. 33; condition unknown 286. The study showed the rest (942) were "normal." In all there were more than 100,000 drivers involved in mishaps ranging from minor traffic brushes through deadly collisions. The fatal mishaps resulted in 1254 dead by year's end.

Change of Temperature  
It's a good idea to have a temperature change during a meal. A cold salad or relish tray may provide a welcome change when the rest of the meal is hot.

North Carolina suffered 60,844 motor vehicle mishaps during 1961, a two percent increase over the previous year. Slightly more than half of the pile ups occurred in rural areas according to records of the State Department of Motor Vehicles. Personal injuries resulting from these accidents came to 34,438 for the year. In accounting for all injuries, however slight, the vehicle agency was guided by the definition "complained of pain or suffered momentary unconsciousness at the time of accident." Last year's auto injuries were 28 percent greater than reported the year before.

### Civil Defense Course Offered

The Cleveland County Civil Defense Office has arranged for any interested person in the county to attend the Office of Civil Defense Staff College, Battle Creek, Michigan, where a course in Shelter Management is being taught the week of September 16.

Plans for taking a large group of Clevelanders to Civil Defense School in Brooklyn, New York, were cancelled last February due to the Department of Defense making changes in the training program.

It is hoped that at least 40 persons will be able to attend Civil Defense School and take the course in Shelter Management which is designed to teach one how to manage persons living in a fallout shelter during a nuclear war. Part of the instruction will include living in a fallout shelter for a short period. It is vitally important that at least one person from each Cleveland community attend this class.

Plans have been made to leave Shelby on Saturday, September 15, and return Sunday a week later. For this course only, the minimum cost per individual for transportation, lodging, and food, is \$35. The cost does not include tips. The expenses for this trip are lower than average due to partial reimbursement to each student from the Federal Government, which furnishes lodging at the school.

Anyone interested in attending Civil Defense School, September 15-23 should contact the Civil Defense Office as Student Applications should be filled out and submitted as soon as possible.

**Opossum-ble**  
Newark, N. J., police responded quickly when they got a call from a guard at a local bank. It wasn't bandits, it was a 10-pound opossum that had taken refuge in the bank's evergreens.
