#### **Church Not Sacred To Some Thieves**

Even the church isn't sacred to some thieves. Two members of the choir of Kings Mountain Baptist church found this out the hard way Sunday morning.

Mrs. Harold Coggins and Mrs. Harold Crawford, Jr. left their purses in the choir room, donned their robes, and went to the sanctuary with other choir members for the worship

While they sang, a thief or thieves were busy ransacking their handbags.

Police said about \$30 was taken from Mrs. Coggins' purse and Mrs. Crawford's billfold contained about \$35. Mrs. also lost valuable papers which were in the bill-

### Fire Prevention Week Oct. 7-13; Safety Programs Mark Observance

Rev. H. D. Garmon, chaplain of the North Carolina Firemen's Association and pastor of Cen-tral Methodist church, answered his own question in an address on "fire-fighting" at Tuesday night's Lions club meeting.
Mr. Garmon was echoing

statement jointly issued by Fire Chief Pat Tignor on the observance of National Fire Prevenion Week, October 7-13-They noted:
1) Public-spirited citizens can

be fire-safety conscious by checkng the spots in homes where fires will likely start; the base-ment, upstairs, closets. Remove inflammable liquide from the

2) Cooperate with the local fire department and support its ng the fall each year.

Similar programs will be given in the schools this week.

Chaplain Garmon noted a decrease in calls to the Kings Mountain department this year as a result of fire safety education in the schools. Fire damages in 1961 in Kings Mountain totaled a little over \$13,000 and Chief Pat Tig. over \$13,000, and Chief Pat Tig-

### **Township Voters May Register** At Four Places

Registration books for the November 6 general election will open Saturday at the county's 28

Number Four Township polling places are: East Kings Mountain City Hall courtroom); West Kings Mountain, (West School); Grover, (Grover Fire Station); and Bethware, (Bethware

Eligible voters may register on three consecutive Saturdays, with the registrars to be at the several polling places all day on October 13th, 20th and 27th. November

3rd is Challenge Day. Kings Mountain registrars reminded local voters that registration for city elections do not make them eligible for the forthcoming election. Unless their names appear on the county books, they won't be able to vote on November 6th.

Absentee votes are permitted in

general elections. No new registration is required or those whose names are already on the books, for county elections, Ralph Gilbert, chairman of the county elections board said yesterday. However, new citizens or voters coming of age or otherwise becoming eligible will be required to register during the three-week registra-tion period if they wish to vote

The election law sets these qualifications for registration: 1) the person registering must be a citizen of the United States and 21 years of age; 2) He must not be an idiot or lunatic, must be able to read and write any section of the state constitution in the English language and must not have been convicted of nor have confessed in open court, upon indictment, his guilt of any ment, unless citizenship has been restored; 3) He must have been a resident of the state for one year and of the precinct for 30

### **Industry Report** To C of C **Slated Thursday**

Kings Mountain Chamber of Commerce board of directors will meet at noon Thursday at the Country club to hear, a report on "package construction

projects" now available. President Glee A. Bridges, just back from a meeting in Salisbury, will give a report from his trip which was made for talks with Binswanger Corporation about the Chamber's industrial development program.

Binswanger Corporation, according to Mr. Bridges, has oftened to finance any reliable com-Kings Mountain, financing it 100 percent including land. The Chamber must locate the desirable property with at least one tract of land 25-30 acres on railroad.

Members of the board of directirs will submit these facts to Binswanger from the regular Thursday meeting: 1) full facts on the community in writing; 2) full information on sites available; 3) utility information for each of the sites and if water, sewer, gas, power utilities are not available how will the community supply them; 4) full information on railroad siding fa cilities; and 5) prices for ground. Binswanger Corporation's Sonthern Division has offices in
