We can help in doing your home over, and at the same time hold your expense down to a minimum. We invite you to call us or stop in and take advantage of the free decorator service we offer you to make your home more comfortable and more beautiful.

Clubwomen Supporting 'Dimes For Liberty'

The story of those people who came to America from other lands will be told in a museum to be built at the base of the Statue of Liberty in New York harbor. There will be displayed dioramas, cases, paintings and murals, all depicting the arrival of immigrants since the beginning of this country.

Sponsors are members of the General Federation of Women's Clubs. Each of them is being asked to put a dime in a small bank and send it to State Headquarters in Raleigh. The money will be forwarded to the Federation's national office in Washington, D. C.

The American Museum of Immigration will be under the direction of the National Park Service, Department of the Interior. The Museum's purpose is to document and dramatize the story of immigration. It will be a tribute to the millions of immigrants throughout America's history—those people who contributed to a unique heritage.

The Federation's efforts will be directed mostly to the story-telling exhibits and in appreciation of this, a wall plaque will tell of the organization's contribution.

Deadline for sending individual club's donations to Raleigh headquarters is February 12. Mrs.olph Howland of Elkin is the North Carolina Federation of Women's Clubs' chairman of the project.

The local Junior and Senior Women's clubs are participating in this project.
