Hoopsters Finish Season, Look Ahead

Basketball season is over and Coaches Don Parker and Bob Hussey are already looking forward to next year's competition.

The girls team, which posted a season record of four wins against tourteen deteats, began the previous season with only one returning letterman, and the bulk of the Mountainette team will return next year.

Becky Webster, forward, and guard Coral Ramseur were the only seniors on this year's team, and returning lettermen Joyce Bolin, Margie Huffstetler. Joan Howard, Gail Heavner, and Angela Ruff will be back to bolster the KM chances of producing a conference contender.

The local lassies won two conference games, (Belmont and Cherryville), and defeated Dallas and Bessemer City in non-conference action.

Mountaineers In Good Shape

The Mountaineers, which posted a season record of 10 wins and 8 loses, 7-7 in conference play, have everything working in their favor for next year.

Coach Parker began the current season with two turning lettermen. Juniors, Richard Gold and Mike Balla formed the experience for this year's squad, and junior forwards Ken Bunkowski and Jimmy Cloninger teamed with Ballard, Gold and senior guard Louis Cook to form this year's squad.

Cook, the only starting senior player, will be sorely missed as next season rolls around, but Mickey Bell is expected to step into Cook's vacated spot.

Bell took over for Cook in the opening minutes of the game with Lincolnton on February 21, and played the final three games at the guard position.

Cook sustained a broken ankle in the opening minutes of play at Lincolnton.

"If the returning players improve as they should during the next year, we will be able to produce a good basketball team", said Coach Parker when asked to comment on the far-away season's outlook.

Front Runners Lose Entire Squads

One very important factor which comes into play when thinking of next year's chances is the fact that the first four teams: Rutherfordton, Lincolnton, Cherryville, and Belmont. lose their entire starting teams.

Rutherfordton coach said after the final game of the season here Friday night, "We will be lucky to win a con-ference game next year". Eight of his twelve squad members were seniors this year.

Lincolnton coach, Don Pack, reported after the KM-Lincolnton game February 21, "We lose everybody after this year". Nine of his twelve players are seniors.

Cherryville's first five players are all seniors, and without the services of conference scoring leader, Jack Cook, the Ironmen will be faced with a definite rebuilding

Belmont, which began the season very slowly, winning only two of its first eight games, came back strong in the second half of play and finished the season with an 8-6 conference record, good enough for a tie with Cherryville for the No. 3 spot in the SWC final standings

Cherryville won the toss of a coin to determine seedings for the Bi-Conference Tournament at Chase High School gymnasium that got underway Monday night, and
