NOTICE OF SALE

Under and by virtue of the power of sale contained in 115-126 of the General Statutes of North Carolina, the School Board of the Kings Mountain City Administrative Unit, at its regular meeting on the 17th day of February, 1964, being of the opinion that the building hereinafter described is no longer necessary or desirable for public school purposes and should be sold and upon motion of B. H. Harry and second by George H. Manney and the motion being unanimously carried, the said house was ordered by law for four weeks and sold at public auction on the premises on Saturday, March 28, 1964 at 10:00 a. m.

The house is a 4-room old dwelling house located on the South side of Parker Street in the City of Kings Mountain near the Kings Mountain High School Building and being on the lot purchased from Gertrude M. Jones Arrowood and husband by deed dated the 5th of November, 1956.

The purchaser will be required to remove said house from premises within 60 days from the date of purchase.

This the 25th day of February 1964.

B. N. Barnes, Superintendent
Kings Mountain School Board

Bonds Sales

Show Increase

Sales of U. S. Savings Bonds continued an upward trend in North Carolina during January.

Statewide sales of Series E and H Bonds for the month were \$4,912,097, a slight gain over January of last year.

The 1964 annual dollar goal assigned to North Carolina is fifty million dollars. Sales in January amounted to 9.8 percent of this goal.

Sales in Cleveland County during January were \$30,891, which is 7.7 percent of the County's 1964 quota of \$401,200.

"It is gratifying to know that so many men and women in this country and throughout North Carolina appreciate the importance of thrift and the enduring value of Savings Bonds," declared Mr. George Planton, Jr., Cleveland County Chairman. "Savings Bonds are absolutely safe, with principal and interest fully guaranteed by our Government. All citizens are asked to continue buying Bonds with confidence where they work or at local banks."

In the early days of North Carolina, flooded rivers were a hazard to travelers. Today, with its string of dams, the Roanoke River is largely free from such hazards.
