Wedding Day And Then..

... the nto the excitement of keeping house, perhaps first in a cozy apartment for two ... later in a small bungalow ... still later in a home of their own.

Back in 1907, when Kings Mountain Saving & Loan opened its doors, assets were small and customers for loans comparatively few. That was over a half-century ago. Kings Mountain has grown and we've grown. Today our assets top \$4,000,000, which provides quite ample cash to serve the mortgage loan needs of June brides and their husbands for homes of their own.

If you are in need of a home, see us. We provide home loans for building, for purchasing homes, or for remodeling and expanding homes.

Our variable loan plans are designed to serve almost everyone, and financing costs are comparable to the best attainable. Come in, let us know your needs.

Thank You

I greatly appreciate the fine vote which I received in my bid for District 4 County Commissioner in the May 30th Democratic Primary.

I would also like to publicly compliment my opponents for the very fine spirit and manner in which they conducted their campaigns.

I understand now that I will be challenged in a run-off race on June 27th. I ask for the vote and support of all who feel that I can properly represent you as your Commissioner.
