Confirms Finding Of Tons Of Beryl

Recovery of five milion tons of Beryllium ore buried on property owned by Foote Mineral Company has been reported by the United States Bureau of Mines.

A recently released U. S. Mines report of Investigation No. 6466 entitled, "Continuous Flotation of Beryl From Spodumene Mill Tail-ings, Kings Mountain, North Carolina" covers two years of research done under the cooperative agreement between the Bureau of Mines and Foote Mineral Com-

Neil O. Johnson, general man-ager of the Kings Mountain operation, confirmed the report. He confirmed it is technically feasible to recover oeryllium ore but selling these beryl concentrates, as produced, or up-grading them to be competitive with imported grades is the current economic

Dean Herman, general manager at Lithium Corporation of Amer-ica's Bessemer City plant, was on vacation Wednesday and could not be contacted. Lithium reclaims beryllium metal.

Mr. Johnson said no plans have been made to mine the properties.
"The bureau determined", Mr. the ore could be salvaged from the lithium ore now being mined here." "We mine the lithium ore

for its contents of mineral crys-Beryllium's strengthening properties have made it an important alloying material. When alloyed with copper and nickel, it is valuable in making aircraft engine parts and surgical instruments. Large quantities of Beryllium is now being used in lium is now being used in missile construction, space exploration

The actual testing was done by the U. S. Bureau of Mines from the Tuscaloosa, Alabama division and the research they were doing covered several other mineral ores which have pro-

In 1961 Lithium Corporation of America at Bessemer City began research in the field of Beryllium and in late 1963 began manufac-turing facilities for the actual working with the ore.
The U. S. Bureau of Mines re-

port continued: "This report covers tests made to determine the technical and conomic feasibility of recover-ing beryl (beryllium ore) from flotation tailings being produc-ed at the spodumene (lithium ore) concentrator of Foote Min-Continued On Page 8

Her Feet Hurt 48 Hours Afterward But This Reporter Loved The Fair

BY ELIZABETH STEWART

My feet hurt but I can't wait to go again to the World's Fair.
I didn't expect to, not after reading critical story after story by reporters who had attended this summer's top tourist attraction in New York City.

We had been told that we'd the control of the people were very neatly dressed. There were, unfortunately, a number of tacky Americans. We were among the first crowds of 236,000 Tuesday and remained until after the fire-

We had been told that we'd works, returning to Times Square walk and walk and walk. We did. via a crowded subway. We walk-We had heard about the long ed from Times Square to 49th lines (one-two-three hours) of Street and the Chesterfield Hotel, lines (one-two-three hours) of standing before the pavilions all over the fairgrounds. Granted, there were lines, Peggy Ross and I waited for over an hour to enter both the Coco-Cola and General Motors exhibits and there were others like Ford, Pepsi-Cola and General Electric we tried to see. Our feet wouldn't let us.

There are beautiful buildings beside architectural horrors at the 1964 World's Fair at Flushing of the Chesterfield Hotel, just off Broadway. There were 24 members of our party, a chartered bus tour to New York and Washington, D. C., including the World's Fair.

The Fair has paintings by Goya and Michelangelo's Pieta. Most of the pavilions are free and have gift shops, some selling equisite things, others offering nothing but junk. The restaurants at the foreign pavilions, (like Africa, to pay them prior to the

However, Governor Sanford made it plain Tuesday evening he was not a candidate for vicepresident and thus punctured a trial balloon hoisted last week

by friends.
Mrs. McDaniel reported the Tar Heel delegation was polled in an effort to drum up support

for Sanford for vice-president.
Governor Sanford said in a statement. "I think I should make it clear I am not running for the job and don't expect to get it. Like everyone else, I ap-preciate any and all kind words from friends, and I am grateful for their friendship in promoting me as a possible vice-president-ial candidate," the governor Continued On Page 3

Begins This Week

Advertising of sale of real es-tate for unpaid 1963 tax bills by the City of Kings Mountain begins this week, with the sale

date to be September 14. Mrs. Houston Wolfe, assistant city clerk, urged citizens who haven't paid their 1963 tax bills to pay them prior to the sche-duled advertising dates. She noted that payments in advance of the advertising date will save additional expense.

From 1963-64 **Assignments**

The city board of education has adopted its pupil assignment plan for the coming year, and except for providing for removal of a sixth grade at the Park Grace plant, is virtually un-changed from the 1963-64 assignment plan.

Since there was no fifth grade at Park Grace last year, the schedule provides that children are assigned to the same schools they attended last year and this year's assignment would auto-

year's assignment would automatically remove a sixth grade. Supt. Barnes told board of education members Monday night as they adopted the pupil assignment plan.

The major exception:

1) The new assignment makes possible having only one sixth grade at the West plant. West, with 11 classrooms, had a total sixth grade enrollment of 45-50 pupils for the coming term. Classroom space was not available for a second teacher. The able for a second teacher. The assignment plan anticipates this operation at Park Grace: Grades 1-2-3-4-5 and two seventh grades.

1-2-3-4-5 and two seventh grades. Pupils who completed the fifth grade at West school last year living outside the city limits are assigned to Bethware school and those within the city limits on the east side of the railroad are assigned to North school. However, those living south of Gold street may be assigned to Bethware school by request.

Pupils who completed the sixth grade at West school are as Continued On Page 8

Vandals Carry Off Church Safe, Ransack School In Night's Haul

Vandals broke a window at First Baptist church Sunday night, entered the church office and carted away the safe but ap-parently didn't open it.

The thief or theives were more successful the same evening when West school was robbed of three film strip projectors, one a View-lux, one a standard model and one a Belhour 16mm projector complete with speakers; an Un-derwood typewriter with serial number 11-9294195; one Webbcore tape recorded and two record

Police, who investigated both the burglaries Monday morning, said the safe was apparently pushed from the church office a-bout 50-75 feet behind the church and discovered Monday morning. They said they found no finger-prints nor evidence the safe had been opened. The window of the South wing was broken and several desk drawers were rummag-Continued On Page 8

Kings Mountain

BY ELIZABETH STEWART If you are a residential gas customer of the city, chances are your gas bills will be \$20 less

W. D. Edwards, Jr., consulting engineer for Barnard & Burk, Inc., conferring Wednesday with Mayor Glee A. Bridges and Gas Supt. Grady Yelton, reported his survey of present rates and a proposed plan to cut rates to all

city users of natural gas. Mr. Edward's recommendation -to be brought before the city board of commissioners for approval-would affect 1100 gas customers who would benefit from a proposed rate reduction of over \$24,000.

Biggest cut would be to residen-ial users, Mr. Edwards said, There are 834 residences now serviced by natural gas. The reduc-ion would approximate 14.85 ercent, based on gas usuage last winter during what Mr. Edwards ermed an "abnormal and very old" winter in Kings Mountain.

Reduction to small commercial nd public customers would ap-proximate 12 percent, and in erms of dollars and cents, a reduction of over \$18,000 to residential users; \$4,000 to small ommercial customers; and over \$1800 to large commercial custo-

Go Prince Rally
City Clerk Joe H. McDaniel and
Mrs. McDaniel, vacationing at Jekyll Island, Ga. this week, sent a clipping from an Atlanta, Ga. newspaper of interest to Kings Mountain citizens.

A Go Team rally was slated for Jack Prince for Congress Tuesday night by the Hall County Republican Party. Mr. Prince is a Kir Mountain native, son of Mr. and Mrs. A. B. Prince.

The rally, according to the newspaper account, was to open the new GOP headquarters on Washington street. The article continued, "Anyone

who is interested in electing Gold-water as president, Prince to Congress, or any local Republican Congress. or any local Republican candidate to office in Hall and surrounding counties is urged to attend," Gordon Sawyer, Hall county GOP Party chairman said.
