School Plans Are Retained

Kings Mountain board of education discussed progress of the new high school plant with Architect Thomas H. Cohan Monday night and voted to retain initial plans for stairway construction.

The decision was made after Cohan reported projected changes in design 1) would not prove satisfactory and 2) would not save an initially anticipated \$3,000.

Chairman James E. Herndon, Jr., reported to the board that Ben T. Goforth is installing a six-inch water line to serve the school and that Lambeth Rope Corporation had authorized tapping the Lambeth service line.

The board instructed the superintendent to see if volunteers for transfer to Park Grace school could be obtained from the second-third combination grade at Grover, where recent enrollments had swelled the total for three teachers to 109, an overload.

In other actions the board:

1) Authorized purchase of up to a dozen typewriters at \$120 each.

2) Authorized expenses for attendance of Principals Harry Jaynes and Howard Bryant to a November principal's meeting and of Mrs. J. N. McClure to a November music conference.

3) Named Trustees George H. Mauney and Mrs. Lena W. McGill as delegates to Thursday's meeting at Chapel Hill of the North Carolina School Board association.

Absentee Ballot Deadline Near

Deadline for application for civilians to cast absentee ballots in the November 3 general election is Wednesday, October 28, at 6 p.m., Ralph Gilbert, chairman of the Cleveland County elections board, said yesterday.

Chairman Gilbert said he had received approximately 75 requests from civilians for absentee ballots. These include persons who expect to be out-of-town on election day, including eligible college students.

Exception to the rule for civilians are those who fall ill subsequent to October 28. Registered voters who are ill may apply, or have members of the families apply, for their absentee ballots up to 10 a.m. Monday, November 2.

There is no deadline — other than physical fact of having ballots in the hands of the chairman of the elections board by Monday night, November 2 — for military personnel, Chairman Gilbert said he had already received approximately 300 requests from servicemen for absentee ballots for the forthcoming general election.

School Bond Rally Is Held

The need of Cleveland County schools for their more than \$1,500,000 share of the proposed \$100 million state school bond issue was reiterated succinctly at a county-wide rally here Monday night.

After Dr. J. L. Pierce, educational consultant for the state department of education's department of school planning, had outlined facts concerning the state's short supply in classrooms, superintendents of the three county administrative units spoke briefly on particular needs of the particular units.

Supt. Lee Phoenix, of the county unit, said the needs of the county district schools are "urgent." Specifically, the county needs two new high schools, in addition to renovations and other improvements immediately.

Supt. Malcolm Brown, of Shelby district, echoing the needs of this district, pointed out that the state-wide bond issue is the easiest and cheapest means of obtaining building funds on the horizon.

Supt. B. N. Barnes, of Kings Mountain district, declared he didn't know what the county would do to handle its pupil population if the state bond issue isn't approved when the people determine its approval or disapproval on November 3.

Kings Mountain's share of the proposed issue is \$374,557. Shelby's \$422,707, and the county district's \$733,787. The division of funds throughout the state is based on average daily attendance for the 1961-62 school year.

Saturday Last Day To Register; Township Registrars Added 125

Unregistered citizens who expect to vote in the November 3 election must visit their precincts and accomplish registration by 5:30 p.m. Saturday.

The registration books close at that hour.

Number 4 Township registrars added 125 names to the voting books last Saturday, including 88 Democrats, 33 Republicans, and four Independents.

Last Saturday's total brought to 263 the total registered in the four township precincts since the books opened October 10.

Solicitors Set Kickoff Meeting For Tuesday

United Fund volunteers will kick-off the 1965 financial drive at a breakfast Tuesday at 7:30 a.m. at the Woman's Club, drive chairman Charles F. Mauney has announced.

Mr. Mauney said he expects from 50-75 volunteer workers will be present to formally launch the UF campaign to be conducted here and in Grover and Bethware communities in November.

Meantime, E. R. Goter, industrial gifts chairman, announced that Mauney Hosiery Mills becomes the second honor roll member of the United Fund with pledge of \$2400, representing 100 percent support of its employees.

Carolina Throwing Company had last week become the first honor roll member with 100 percent participation from 116 employees and a pledge of \$1,330.

Other advance gifts this week brought pledges to date to \$4,114.00, almost one-sixth of the United Fund quota of \$23,119.60 for nine participating organizations.

These, in addition to the two local industries and the first gift of \$500 from Dicey Mills, of Shelby, were: Southern Bell Telephone Company, \$75; K. Mills, \$20; Kings Mountain Herald, \$30; and Home Security Life, Gastonia, \$39.

Canvassers will encourage citizens to give at least one hour's pay once a month to the community drive, termed by UF officials as a local United campaign conducted by local volunteer workers for local charitable organizations and service groups, including these nine causes:

1) American Red Cross-Kings Mountain, Grover, Bethware area, \$5,056, continuing to serve all people in need and in time of disaster.

2) Boy Scouts (white and colored) — \$5,385.60. There is no substitute for scouting in the development of youth.

3) Compact Davidson high school band, \$1,428. This group must have funds to support the purchase of new uniforms.

4) A cancer fund for Kings Mountain-Grover-Bethware sections, \$1,000. This is a new fund, not associated with the American Cancer Society or its drive, to be disposed of by a local committee for local needy cancer patients. The national drive will be conducted next September.

5) Girl Scouts (white and colored), \$1,500. An increasingly important factor in the development of girls for home and community.

6) Mauney Memorial Library — \$1,000. A growing source of knowledge for all local people. There is a constant need to buy new books to broaden the library's services.

7) A heart fund for Kings Mountain - Grover - Bethware sections, \$1,000. Another new source of help for local indigent patients. Not connected with the National Heart Association or its drive which will be held next September.

8) Kings Mountain high school band, \$3,550. Consolidation and good leadership have resulted in a 100 percent increase in the band's size. Money is needed for uniforms and equipment.

9) Kings Mountain Rescue Squad — \$3,200. Local citizens are becoming increasingly aware of the many services rendered by these local men.

President Hoover Dedicated Park At Sesqui-Centennial

By MARTIN HARMON

Herbert Clark Hoover, 31st President of the United States who died Tuesday at the age of 90, is the only President to make a visit of state to Kings Mountain.

President Hoover came to Kings Mountain on October 7, 1930, on the occasion of the sesqui-centennial celebration of the Battle of Kings Mountain, reviewed a military parade, then proceeded by motorcade to the battle site to dedicate the area as a national shrine — Kings Mountain National Military Park.

In effect, Mr. Hoover's dedication confirmed the fact of the establishment of the National Military Park. He signed the bill establishing the park a few months later, on March 3, 1931, which, coincidentally, is the birthday of Ben Moomaw, currently the park's superintendent.

President Hoover was accompanied to Kings Mountain by Mrs. Hoover. Arriving by train at 1 p.m., he was accorded the traditional honor of chiefs of state, a 21-gun salute. Members of the reception committee were Major and Mrs. Stuart W. Cramer, Mr. and Mrs. Clarence O. Kuster, U. S. Representative and Mrs. Charles A. Jonas, Mayor and Mrs. Wiley H. McGinnis, Dr. and Mrs. J. B. Johnson, Mr. and Mrs. C. E. Neisler, Mrs. W. H. Adicks and Col. J. G. Wardlaw.

The Presidential reviewing stand was located in front of the S. C. Ratterree residence on West Mountain street, where Mr. Hoover reviewed military forces including national guard units of North and South Carolina and United States army units from Fort Bragg.

Military Park records show that 75,000 persons heard Mr.

RALLY SPEAKER — U. S. Representative Basil L. Whitener will make the principal address at a county-wide Democratic rally here Thursday night at the American Legion building.

Residential Tax Hearings Suspended

The county began hearings on industrial tax valuations Monday and has suspended temporarily hearings on residential valuations until the industrial hearings are completed.

Previously, the county has been holding residential hearings twice weekly. Max Hamrick, county auditor, said industrialists seeking hearings are getting appointments convenient to themselves. Representatives of the revaluing firm, Cole-Layer-Trumble Company, are reviewing the valuations with the industrial representatives having complaints.

Free Barbecue, Music, Feature Of Program

Thursday's day-long Democratic motorcade through Cleveland County will culminate in a rally at the Kings Mountain American Legion building at 7 o'clock.

United States Congressman Basil L. Whitener, of Gastonia, will make the principal address, following a free barbecue dinner.

J. Lee Roberts, chairman of the committee on arrangements, said Wednesday, "All Democrats are invited and expected to attend."

He announced these program details:

Jack H. White, state senate nominee, will serve as master of ceremonies.

Patriotic music will be sung by B. S. Peeler, Jr., baritone soloist, with Mrs. R. B. Leonard accompanying at the piano. Rev. B. L. Raines, pastor of First Baptist church, will say an invocation.

All Democratic nominees will be recognized and special remarks will be invited from Cleveland County Democratic party officers.

The Cascades will furnish music for the rally.

Rep. Whitener, now completing his fifth term in the House of Representatives, was elected to Congress in 1956, succeeding Rep. Woodrow W. Jones, Rutherford Democrat. Mr. Whitener is thirteenth ranking majority member of the House Judiciary committee, which processes a majority of the legislation in the House, and is ninth ranking

Welfare Board Moratorium Is Expiring

Nearly 30 days ago a group of Kings Mountain civic leaders told the county commission they would forego plans for seeking to secede to Gaston County for a month.

They added they would pursue those plans if the welfare branch office remained here.

The only development since is that the office here was closed.

Saturday, October 24, Mayor Glee A. Bridges recalls, the 30-day postponement expires.

"We'll be ready to start something next week" Mayor Bridges said Wednesday.

Mayor Bridges said he had discussed briefly with Grier Beam, chairman of the Gaston county commission, possibility of the Kings Mountain area's joining Gaston. The Mayor said he told Chairman Beam of the 30-day moratorium and that Mr. Beam had replied, "When you make up your mind, then come back to see me."

The Shelby Star editorialized on the secession threat Tuesday. It noted that Rocky Mount, a city of 33,600, lies in two counties, but that, in spite of administrative difficulties Rocky Mount encounters, the city manager has no hopes that Rocky Mount will ever be able to 1) become the state's 101st county or 2) move all its boundaries into either Nash or Edgecombe.

The Star added, "There seems to be a message there for those who would rather not squander their energies along dead-end streets."

Mayor Bridges has indicated previously petitions would be circulated which would seek General Assembly permission to vote on the question of joining neighboring Gaston county.
