Glenn Bolin, J. Wright Join Injured List

Glenn Bolin, 190-pound senior tackle, is through for the remainder of the '64 football campaign with a thumb injury. Bolin was injured in Saturday's game between the Mountaineers and the Mooresville Blue Devils.

Senior end Jimmy Wright was hospitalized Tuesday because of a back injury, suffered in the same Mooresville-KM contest. Doctors have reported that Wright may not play for two more weeks, but it is known for sure that he will not participate in the game against Shelby Friday.

End Jimmy Cloninger and tackle Gerald Carrigan, also injured in the Mooresville tilt, will be seeing some action this Friday. Both will start but senior Bill Mullinax has been working out with the first unit as an end, and Roy Medlin has been brought up from the JV's as a tackle.

Also out for the season is JV quarterback Tommy Goforth. Goforth's collar bone was broken in the Rutherfordton-Kings Mountain JV game Monday night.

Bolin and Goforth have joined the out-for-the-season list, along with pre-season injured junior tackle Chip Bridges, junior guard Danny Finger, and sophomore halfback Jerry Ledford.

The City of Kings Mountain will accept bids until 6 P.M. November 12th for a 1965 sedan automobile. Specifications are available at the office of the City Clerk. The City reserves the right to accept or reject any bid. J. H. McDaniel, Jr., City Clerk
