and Wonderful Giving

President Bonnie Cone will

present the college and discuss its future: Donald MacKay, dean of student affairs, will discuss campus life; and Dr. James Wahab, acting academic dean, will discuss admissions policies and programs offered.

Afterwards the prospective students will go to sessions with the heads of the college departments so that they may discuss the programs in which they are interested. The professors and their departments are: Dr. Herbert Hechenbleikner, biology; Dr. S. L. Wubben, business administration and economics; Dr. Newton Barnette, engineering; Dr. Robert Wallace, English; Dr. Pierre Macy, foreign language; Dr. Robert Dr. Howard Harlan, sociology. 663.

At the same time the students are discussing their programs, parents may participate in a program with Miss Mildred English, director of student personnel Tours of the campus will be conducted at 4 p.m. with Circle K Club members in charge. The college will serve refreshments in the cafeteria. Any junior or senior high

school student in the area and his parents are invited to attend.

RALEIGH - Building permits totaling \$19,670,288 were issued during September in 36 North Carolina cities of more than 10,-000 population, the State Department of Labor reported today.

Labor Commissioner Frank Crane said the September building total was 13 per cent below the \$22,669,323 reported by the same cities in September, 1963. ported for the same period last thy. MRS, LEE JAMES HARLOW.
