AND TO

Kings Mountain Kiwanis Club

NOW 25 YEARS YOUNG

It is with pride that we salute Kiwanis International of a half-century of service throughout the world and Kiwanis Club of Kings Mountain on a quarter century of service to the Kings Mountain area.

Kings Mountain Kiwanis Club has been actively and importantly identified with virtually every community enterprise since its organization in 1940.

It provided the community with its first lighted athletic stadium, aids the needy, operates a continuing student loan fund for the benefit of worthy and needy Kings Mountain boys and girls.

Kings Mountain appreciates the many fine services rendered and being rendered by all Kiwanians in seeking to stimulate community growth and prosperity and in serving selflessly for the betterment of all mankind.
