Traditions of America

From pioneer days, to the Revolution, to the Great White Fleet of Teddy Roosevelt, to the grim days of two world wars, the Boy Scouts of America embody the best of American traditions — helpfulness, bravery, cleanliness, courtesy, kindness, loyalty, obedience, cheerfulness, honesty, friendliness, reverence and thrift. We salute them on their upcoming anniversary.

Yet another American tradition is home ownership, and the solidity which ownership implies. Building season is just around the corner. Now is the time to pre-plan, retain builders, and arrange financing for an early building start. Our business is providing **YOUR** financing at terms to fit **YOU**.
