

Moore Agent For Farm Bureau

Rural families of Cleveland County who have not yet enrolled in the Cleveland County Farm Bureau's hospitalization group with Hospital Care Association Blue Cross-Blue Shield of Durham, will soon have another opportunity to do so.

John Berry Hamrick, Agency Manager of the Cleveland County Farm Bureau, has urged all Farm Bureau members who have not already joined the hospitalization group to enroll during this special enrollment period. Only members of the Cleveland County Farm Bureau are eligible to join the Hospital Care group. Farm families who have not joined the Farm Bureau are invited to do so.

Before the Farm Bureau group

with Hospital Care was organized, rural families had to join Hospital Care on a nongroup basis. Since the group was established, many local families have joined.

A team of Hospital Care Association representatives headed by H. R. Butler, Assistant Nongroup Sales Director, will be in Cleveland County two weeks beginning June 7 to assist Farm Bureau workers in the campaign.

For more information, call or write Mr. Hamrick, Agency Manager or Mrs. Louise Dubesko, Secretary, Cleveland County Farm Bureau Office, 418 W. Warren Street, Shelby Telephone 482-3686. Also Charles Bridges, Rt. 4, Shelby; George Hamrick, Farm Bureau Agent, Rt. 6, Shelby; J. Edwin Moore, Rt. 1, Kings Mountain; Wye Royster, Farm Bureau Agent, Fallston or Olin Sneed, 302 Miles Road, Shelby.

Court Docket Heavy Monday

POPPY SALE HELD — Mrs. O. O. Walker, Kings Mountain Poppy chairman, and Mrs. C. L. Jolly, president of the American Legion Auxiliary, pinned a poppy on Mayor John Henry Moss and American Legion Commander Dick McGinnis during Saturday's street sale conducted by members of the Auxiliary. Mrs. Walker expressed appreciation to all citizens who helped to make Poppy Day a success.

Surgical Benefits At \$771 Million

Surgical benefits paid out in 1964 by insurance companies totaled over \$771 million, the Health Insurance Institute reported today.

That figure, the institute said, is 11 per cent above 1963's \$695 million and represents a record high for this insurance.

These insurance company benefit payments were paid under surgical expense coverages, and under surgical provisions of major medical expense policies.

The Institutes noted that total health insurance benefits by insurance companies last year amounted to nearly \$4.7 billion. In addition to surgical coverage, benefits were provided under hospital, regular medical, major medical, and disability income insurance programs.

Surgical benefits under a basic hospital - surgical policy are paid according to a listed scale of procedures. Schedule maximums range from \$250 to \$600, depending on the policy. Under major medical expense policies, the benefits are determined by the customary and usual fees charged for specific operations.

At the end of 1963, nearly 85 million persons had surgical expense protection through insurance company group or individual and family policies, the Institute said.

Insuring organizations such as Blue Cross and Blue Shield protected another 52.5 million, and 8.6 million persons were covered by other health care programs.

The net total protected for surgical expenses in 1963: 134.9 million persons.

The estimated surgical coverage figure for 1964 is 139 million persons, the Institute said.

Ten years earlier — in 1954 — the over-all surgical coverage total came to 86 million persons, or 53 million less than is estimated for 1964.

Here are some representative coverage totals for the intervening years: 1955 saw 91.9 million persons protected by a surgical program; 1957 — 108.9 million; 1959 — 116.9 million; and 1961 — 126.9 million.

The Chinese wall was erected primarily as a defense against nomadic tribes.

Two of San Francisco's streets are so steep they have a 31.5 degree grade, while the maximum grade at Pikes Peak is only 25 degrees.

Both men and women blush.

Compact Students Win Top Awards

Reverend James E. McCallum of the Epworth Methodist Church of Gastonia addressed members of the 1965 graduating class of Compact high school Sunday, May 30, at the Compact gymnasium at 2 p.m.

Rev. McCallum received his A. B. from Clark College, Atlanta, Georgia and his B.D. from Gammon Theological Seminary in Atlanta. He is married to Mrs. Henri McCallum, Director of Music at Mississippi Valley State College.

Commencement exercises were held Monday, May 31, at which time the high school graduates heard Attorney Donald E. Ramseur, a member of the City Board of Education in Gastonia.

Ramseur is a graduate of Johnson C. Smith University of Durham and has been practicing law in Gastonia for 10 years. He was chosen "Man of the Year" in 1962 by the Omega Psi Phi Fraternity.

On Thursday, May 27, the class of '65 presented annual class night "A Night With the Seniors". Mrs. H. C. Wilson and Mrs. C. B. Young are advisors of the seniors.

The annual athletic party for the athletes and their guests was Friday night in the school cafeteria.

Receiving diplomas were: Carnell Adams, Thomas Adams, Yvonne Barnett, Bertha Bell, Joe E. Bell, Katherine Byers, Miles Boyd, Prema Brown, Carl Burris, Brenda Camp, and Linda Camp.

Jimmy Carter, Norma Childers, Annie Cole, Charlie Crocker, Brenda Curry, Leroy Davis, Mary A. Gist, Jessie Hughes, Darlene Huskey, James Hood, Robert Jamerson, and Vivian Jordan;

Patricia Lewis, Mary F. Littlejohn, Billy McCathen, Janice Mithem, Jackie Moore, William Patterson, Joanne Petty, Mahalia Roberts, Dwight Roseboro, Doris Smarr, Elizabeth Thompson, Clarence Warren, Willie and James Worthy.

Bible School Plans Given

Telephone Talk

By F. B. HOUCK

Southern Bell congratulates June Graduates on reaching this mile stone. If you have not made plans to attend college, may we suggest that you contact Gaston Community College. They are interested in your future.

"TELEPHONE OPERATORS ARE NOT PERMITTED TO REPORT AT THIS BUILDING AT ANY HOUR OF DAY OR NIGHT IN BICYCLE COSTUME." Believe it or not, that's a quotation from a telephone company bulletin dated 1895. And that same year, a women's fashion magazine said, "Let women's business attire be black, brown, or grey serge. Black is preferred on account of the unwritten law governing the style of dress by many self-supporting women." Personally, we're kind of glad women's styles have changed. But ladies' clothes aren't all that have gone modern in the last 70 years. All those years of research and development have made your telephone the most modern, trouble-free, low-cost phone in the whole world!

HOW LONG SINCE YOU'VE DONE SOMETHING EXTRA NICE FOR YOUR FATHER? Well, June 20th is Father's Day, so why not make some special plans. If you're lucky enough to have him living right here in town with you, how about fixing his favorite foods for dinner and then maybe take him to a movie after. If your father lives out of town, telephone him to wish him a happy day and tell him how much you love him. But wherever your dad is, you can give him a Father's Day he won't forget by letting him know how much you appreciate all the wonderful things he's done for you!

EVERY SUMMER THOUSANDS OF AMERICANS ARE HURT IN ACCIDENTS! That's an unpleasant fact that can be changed with just a little extra care on the part of each one of us. Follow these summer safety rules and make this a happy summer for you, your family, and friends.

1. Don't swim in unguarded places, and don't go out beyond your depth unless you're a strong swimmer.
2. Watch the sun! There's nothing nicer than a good tan, but a burn is something else. Find a sunburn lotion that works well on your skin, and use it!
3. Be on the lookout for poison ivy and poison oak. If you're particularly susceptible, wear slacks and long-sleeved shirts that will keep you covered up.
4. If you're planning a trip, take along a first aid kit. If you stock it well, you'll find it's invaluable for everything from snake bite to sunburn.
5. Above all, DRIVE CAREFULLY. Observe the speed laws of the state you're driving in. Take your time, especially when driving on unfamiliar roads... you'll get there faster, and in one piece!
