### Fire Guts **Burris Home**

City firemen said a defective oil stove was cause of a fire here Tuesday about 1:15 p.m. which gutted a frame house at 306 W. King street owned by Burben 9:30 at the home of Mrs. C. D.

Lee Burris.
Burris' mother and his 10 children were in the house when the fire first started.

Fireman T. C. McKee reported that the stove had a roll-out tank Monday at the church to go to on the back and when the fire Lineberger Fish Camp for supblazed up, Mrs. Burris tried to per. remove it. Oil was spilled over the kitchen floor and the fire

Firemen were called Monday afternoon to extinguish a car blaze at 903 First street caused by a faulty carburetor. McKee said there was little damage.

ODDS AND ENDS, MOSTLY REMEMBER the \$962.5 million anti-poverty bill of 1964? Well,

This year, it's the \$1.8 billion anti-poverty bill. The administration wants to escalate the war.

UNCLE SAM gets more out of wish to thank their many friends and neighbors of Belvedere Circle for the lovely flowers and many thindnesses of aumorable at the said eight cents to make the said eight kindnesses of sympathy at the death of their father, James you buy. add eight cents to every pack

The manufacturer? comes next in line, deriving over six cents

from each pack sold.
State taxes add over five cents to the average price. State sales taxes come to about one-half cent per pack, and city and local taxes are a shade less.

Next are the wholesaler and retailer, who draw well over three cents from each pack. The farmer gets a fraction over three cents from the sale.

SYNTHETICS in clothing give cotton folks nightmares. Despite the presence of many up 25 per cent.

Agriculture

In

man-made fibers on the market today, though, cotton still accounts for some three-fourths of all fabric going into men's and children's children's children's clothing, synthetics have made greater investes.

greater inroads.
Surveys show that the house wife believes cotton to be the easiest fabric to wash, however, and that it's the most comforta-ble fabric for the family.

Cotton industry researchers, meanwhile, are building new fea-

tures into their product. You can find cotton clothing that is drip-dry, stretch-woven, oil repellent, water-repellent, fire - retardant. and permanent - crease.

Belk's Department Store

The boys in the back room were gathered at the services for a fellow gambler who had passed on.

"Spike," droned the preacher, "is not dead. He is sleeping."
Came the inevitable voice

from the rear: "I've got a grand that says he's dead."

Most married men run eir homes like ships where they're the captains. How would they know they were going to marry admirals?

Husband: "When any-

Husband: "When anything goes wrong around our house I just get busy and fix it."

Wife: "True, but since you fixed the clock the cuckoo backs out and asks "What time is it?"

Russian television is different. You don't watch it. it watches you!

CALLING ALL HOMEMAKERS By GENE TIMMS

THE "NEW ATTITUDE" OF FURNITURE STORES

TIMMS ed his store is probably no longer in busi The days when a furniture salesman was simply an or-der-taker are a thing of the past. Today's furniture sales-man must have the ability

and knowledge to help a cus omer select her needs. The furniture store owner must have a complete know-ledge, not only of furniture, but of draperies, floor covering, accessories, color schemes wall papers and how to put all of these things together

narmoniously and attractive He must be able to talk in terms of groupings, room ar rangements, periods, textures inishes and whatever else i

to his customer. We invite you to come to our store and take advantage of the help we can give There's never any obligation. We enjoy talking with you and if you are interested in buying furniture, we enjoy the challenge of helping you se-lect the very best decorator merchandise while working within the areas of your specific taste and budget. Com

In addition to all popular brands of furniture, we feature the famous Sealy Posture pedic, G. E. Appliances, and RCA Victor Color T. V. We will give you the best discounts, whether you pay cash, or buy on our time payment plan.

#### HEALTH SERVICES

Why is America the healthi

There are many reasons, bu here are two of the most im-

With only about 6% of the world's population, the United States has approximately 28% of the world's trained phy sicians!

And, we have about one fourth of all the world's phan This means that health ser

vices and products are more available to Americans than in any other major country or

In each of this country's 55, 000 pharmacies you find:

Personalized service. You neighborhood pharmacis counts on your patronage just as you count on him for prompt, careful attention to your needs.

Full line of products. Every harmacist stocks thousands of products to take care of emergencies as well as contin uing needs.

But the number of pharma cists is important by itself. It means that nearly every A merican is no further than a few minutes away from the medication he needs, when he needs it. And, for most Ameri cans, it means that he has choice of pharmacies to patro

We hope you'll give ou pharmacy the chance to serve
