Linda Sherrer Miss Shelby

Linda Louise Sherrer, 18, the reigning "Miss Kings Mountain," was crowned "Miss Shelby" in the Shelby Jaycee-sponsored beauty pageant Friday night in Shelby.

A rising junior at Lenoir Rhyne college in Hickory, Miss Sherrer was a crowd favorite in the talent competition with a modern jazz number which she choreographed herself.

The daughter of Mr. and Mrs. Lewis Sherrer was second runner-up to Miss Shelby 1965 and voted "Miss Congeniality" in last summer's pageant. She came back to win the crown this year and the right to represent Shelby in the state pageant in 1967. She will attend the July state pageant in Greensboro as an observer.

Last October she was crowned "Miss Kings Mountain" during Kings Mountain's mammoth Battle Anniversary Celebration. She was sponsored in the Shelby pageant by the Kings Mountain Jaycees.

Eleven Cleveland County beauties competed in "Miss Shelby" competition. Celeste Ball, of Charlotte, Gardner-Webb college student, was named first runner-up and second runner-up was Barbara Patterson of Shelby. Rhena Gail Poston of Shelby was voted "Miss Congeniality" and the other finalists were Betty Jo Bettis and Anna Bingham, both of Shelby.

Among her prizes Miss Shelby receives a \$250 scholarship from the Shelby Jaycees.

Miss Sherrer will return to her studies the latter part of July for the second session of summer school at Lenoir-Rhyne. An education major, she plans to teach school.

Clean-Up Drive In Full Swing

Area chairmen in Kings Mountain's clean-up and beautification campaign are currently inventorying unsightly spots and contacting property owners.

Sub-committees made up of 120 citizens were shifting the campaign into high gear this week, initial week of the month-long campaign to remove derelict buildings, brambles and debris from premises.

M. L. Campbell, a member of the publicity committee, said that much enthusiasm has been evidenced by many citizens and he reminded that "most improved" awards will be made at the end of the campaign to the ward, area, ward with most improved street in each area, and most improved residence in each area.

Mr. Campbell said that already East Ridge street has been beautified. He noted that derelict housing has been moved, lots cleared of debris and brambles, among other areas in the city.

The city is offering to aid the clean-up of residential areas by hauling away free heavy debris such as appliances and autos and has also offered to raze at no cost, derelict buildings, both offers good only during the month-long campaign ending June 21.

STRICTLY FRESH

Do you remember when Mother's meals were carefully thawed-out?

fully thought-out instead of carefully thawed-out?

One way to be popular is to listen to a lot of things you already know.

One robin doesn't make a spring, but one lark is often responsible for a fall.

A woman can be scared to death by a mouse, but she is usually willing to take her chances with a wolf.

If you want a place in the sun, you must expect to get some blisters.

The world is getting so fast and crowded that a fellow can't entertain a new idea without an appointment.

Almost everyone knows the difference between right and wrong. Some people just hate to make decisions.

If it weren't for high school and college kids, who would correct the grammar of the grownups?
