

To The Voters Of Number 4 Township

HELP US RE-ELECT JACK H. WHITE TO STATE SENATE!

If Senator White is to be re-elected, he must receive the **STRONG SUPPORT OF CLEVELAND COUNTY!**

Go to the polls and urge your friends to do likewise on Saturday, May 28th.

Senator White has had three sessions of experience and served on eleven committees and one select committee while in the Senate. His voting record has always been for what he thought was for the best interest of Cleveland County and his district. We think he will continue this fine record; but in order to do so, **WE MUST GET HIM ELECTED.**

Go To The Polls Saturday And VOTE To RE-ELECT

Jack H. White TO THE State Senate

The voters of Number 4 Township accorded Senator White handsome "homefolk" support in the 1964 primary — over 80 percent of the votes cast. Let's do it again and more so.

GOP's Wirick Criticizes GOP Opponents

The harmony and camaraderie that has seemed to exist between the three Republican candidates for Congress from the Tenth District seems evaporated, as Donald D. Wirick, who is seeking the nomination lashed out at his opponents this week.

Wirick, who has campaigned in Avery, Alexander, Catawba, Iredell, Cleveland, Burke and Gaston counties in joint appearances with Hal Young and Terry Wallace in their quest for support and votes, feels that these occasions have given some indications that there are no basic differences in their beliefs and qualifications for the office.

"Nothing could be further from the truth," Wirick claimed. "One of my opponents has chosen as his major theme the Poverty Program and that seems to be the only issue he considers of importance. The other opponent has selected the war in Vietnam as his primary subject and yet neither of them have any concrete ideas as to what they would actually do about these matters in the event they should win in the primary this Saturday and go on to win the general election in November. In other words, so far all they have done is criticize."

"I have no intention of resorting to name-calling or mud-slinging, but on the other hand, I do have some definite and constructive ideas of what can and should be done to make the programs that have already been enacted into law more practical, economical and efficient."

L-R Alumni Tap McGinnis

Richard (Dick) McGinnis, Kings Mountain furniture dealer, was elected vice-president of the Cleveland County Chapter of Lenoir Rhyne College Alumni at the association's dinner meeting Monday night at Governor's Inn in Shelby.

Other officers will be Jack H. Gunbells of Shelby, president, and Mrs. Polly Willis of Shelby, secretary.

C. M. Peeler of Shelby, outgoing president, presided. Head football coach Hanley Painter and Jeff Norris, Alumni Affairs Director for the college were guest speakers.

Coach Painter described the College's athletic programs as sound and his outlook as hopeful. He said, "We expect to have a good football team this year, with the needed team leadership held over from last year's squad. That squad had a creditable 7-3 record and we guaranteed only 5 men." Coach Painter added, "The Carolina's Conference will be very evenly balanced but we draw hope from the conditioning of our boys, their enthusiasm and fine ability. Barring injuries, we expect a good season." The coach expressed warm appreciation for the continuing support given the academic and athletic programs by Cleveland County alumni.

Mr. Norris presented a sound and color film strip, "Milepost: Three-Quarters of a Century." It describes Lenoir Rhyne College's dramatic progress from a single structure, later destroyed by fire, to the present multi-unit complex, blending the Old and the new. "This exciting film was prepared to commemorate Lenoir Rhyne's 75th anniversary and to set the challenge for our College's inevitably bright future," Mr. Norris said.

In closing, Mr. Norris reminded area alumni to watch for the upcoming television special on Lenoir Rhyne. Entitled "The Truth Shall Make You Free," it is scheduled for 10 p.m., Tuesday, May 31 on Channel 3, WBTV.

Gore Organ To Be Dedicated

A church organ memorializing Carl C. Gore will be dedicated at 11 o'clock worship services Sunday at Oak View Baptist church.

The organ was recently purchased by the church and is being dedicated in memory of the former church treasurer.

For many years associated with Victory Chevrolet Company, the late Mr. Gore was a son of Rev. and Mrs. E. O. Gore of Kings Mountain. He and his wife, the former Virginia Wells, made their home on York road and Mr. Gore was long active in the work of the church.

Not So UFO

A pair of 10-year-old boys from Iron River, Mich., told police they saw an unidentified flying object parked in a yard. They said it was six feet high, surrounded by three rings and resting on springs.

An investigation revealed the boys' neighbor had placed the object in his yard. It was an artificial fountain he had made for a high school prom the night before.

Toll Road

Police said a serious Los Angeles traffic jam resulted when a bag containing \$10,000 in currency fell from the back of an armored car and burst on the Ventura Freeway.

Motorists stopped to give chase to the bills. Police were able to recover only about \$1,000.
