Newton Games Go To Opposing Teams

A ruling by the state legion baseball commissioner today overruled an earlier one by area commissioner Joe Phillips of Shelby and all games involving Newton, which this week pulled out of Area IV competition, will go into the record books as a win for the opposition.

A protest was filed by the Gaston Post 23 team which defeated Newton 5-4 but the game was erased by Phillips' ruling. But now the game goes back into the books as a win for Gastonia.

Shelby had been given a game by Phillips' ruling on a game won by Newton. By the later ruling, Newton gets the win and Shelby losses, giving Shelby a 2-4 record instead of 2-3.

Kings Mountain was scheduled to host Newton Friday so the game will automatically go into the books as a win for Kings Mountain and a forfeit by Newton.
