Clayton Accepts Methodist Call

Rev. H. G. Clayton, pastor of First Church of the Nazarene for nearly five years, has accepted a call to Concord's Mary's Grove Church where he has been assigned by the Gastonia District of the Western North Carolina Conference of the Methodist church.

Mr. Clayton will complete his duties here Sunday and will deliver his first sermon at the new charge on Sunday, June 26.

The Claytons came to Kings Mountain from Columbia, S. C. where he served seven years as pastor of Grace Church of the Nazarene.

During the Kings Mountain pastorate there have been numerous improvements to church property, the personage was renovated and painted, the yard was landscaped, a recreation building, "Nazarene Hut", was added to the house on the north side of the building, and recently a new roof was completed for the church. The interior was painted and a new plumbing line was installed from the street to the church.

Rev. Clayton was one of two ministers who introduced the Ministers Welfare Fund on the Empty Stocking Fund which the Ministers collect during the Christmas season. He also served as Treasurer of the Welfare Fund for one year.

The bus will leave the Legion building at 8:15 on Sunday morning and return around 8:30 that night.

Round-trip bus fare plus a reserved seat for the game will cost \$12.50.

First family picnic of the summer season of the Kings Mountain Kiwanis club will be held Thursday, June 16th, at Lake Montonia. Bridges Barbecue will serve the meal.

STRICTLY FRESH

Nothing upsets a woman like someone getting married who she didn't even know had a boy friend.

An optimist is a fisherman who brings along a camera.

"DECORATING TIPS"

By GENE TIMMS
WANT SOME IDEAS FOR YOUR HOME?
In our column this week we're happy to pass along a few additional decorating suggestions we haven't published before. Whether you use any of them or not, they may start you thinking about developing ideas of your own. Here are some ideas:
Invent some new uses for wall paper. It can be used most effectively in covering a waste basket, a small chest or a door. Consider using it on a bedroom ceiling or an arched or sloping ceiling.
Tired of the same old matching tables and lamps on each side of your sofa? Try using one round and one square table with one table lamp and a hanging chain lamp.
Instead of the usual large picture or mirror over your sofa or fireplace, use a grouping of differently sized and framed pictures or make an interesting mixed group of both pictures and other wall ornaments.
Have your hallways been completely overlooked? They should be treated as part of your home. Bright wall-paper or pictures or a combination of both may make a great difference.
Did you ever consider what just one piece of new furniture can do for your living room? One outstanding serving table, cocktail table or chair can make a world of difference.
Through the years we have specialized in helping our customers find the right thing for the right place. We can help you too.
