The Family of Florence Conner  
 "She Is Just Away"  
 I cannot say, and I will not say  
 That she is dead—she is just away!  
 With a cheery smile, and a wave of the hand,  
 She has wandered into an unknown land,  
 And left us dreaming how very fair  
 It needs must be, since she lingers there.  
 And you—O you, who the wildest yearn  
 For the old time step and glad return,  
 Think of her faring on, as dear  
 In the love of There as the love of Here;  
 Think of her still as the same,  
 I say:  
 She is not dead—she is just away!
