Mullinax Victim Of Quick Call

Kings Mountain high school Passes Comp.
football Coach Bill Bates said
Tuesday that Mountaineer half.
Fumbles Lost back Wayne Mullinax was victim Penalties of a "quick whistle" last Friday Punts night in Shelby when he took a pass and ran 60 yards for a touchdown which was called back. Mullinax took the toss over on the Shelby sideline and a Shelby secondary man tried to make the tackle, but Mullinax broke the tackle, spun off and went all the way. But the official called him back and said that his forward motion had stopped.

The game announcer announced over the public address system that Wayne had stepped out of bounds.

"He was just a victim of a quick whistle," said Bates. "I remember in 1960, up at Lincolnton, when the officials blew a quick whistle on Punch Parker that cost us the ballgame. Punch was stopped, but spun off and went 90 yards." Bates continued: "That was

one thing that cost us the game. But what really cost us the game was so many mistakes We made six and Shelby made only two. "One thing that helped Shelby Strain was when we had them stopped
