

Herndon To Lead Revival Series

The Sunday worship services are at 11 a.m. and 7:30 p.m., and the evening services Monday through Friday will begin at eight o'clock. The church nursery will be open during all services.

Special music will be rendered by the 34-voice choir of the Patterson Grove congregation. Rev. Richard Plyler is minister of the Patterson Grove church.

Mr. Herndon is a native of Quitman, Georgia. He is a graduate of Carson-Newman college with B.A. degree, and Southwestern Baptist Theological Seminary, Ft. Worth, Texas, with the B. D. and Master of Theology degrees. He and Mrs. Herndon have a daughter, Beth.

We care

Good potato, but we won't use it

This is a NO. 1 grade potato. But we won't use it for Jane Parker Potato Chips because it measures more than 4 inches in diameter. We have minimum and maximum sizes to insure the best chips... the best eating.

But size isn't the only thing we're fussy about. We'll use only certain varieties of potatoes. There are 20 or more varieties we wouldn't think of using... they just don't make good chips.

We're careful about potato sugar content. It must be low to produce chips of uniform color. We're fussy too about crispness, thickness and lots of other things.

This may seem like an awful lot of fussing, but that's the way we are about all Jane Parker products... about all the products we make.

When you think about it, shouldn't fussy A&P be your store?
