VFW Honors Congressman For Service

GASTONIA — Congressman Basil L. Whitener (D-NC) was honored by the Veterans of Foreign Wars on Saturday night. The ceremony was held at the home of Absher Flowers Post No. 9337 in Gastonia.

State Commander Conway Newsome of Goldsboro was the principal speaker and presented a special V. F. W. Congressional Cap to Whitener in behalf of the local, state and national organizations.

In presenting the award to Whitener, Newsome said, "The V. F. W. does not lightly confer this honor upon a member of Congress. Our national organization bases the award upon service of significant value to the country."

He was assigned to Dover AFB, Del. The airman, a graduate of Kings Mountain High School, attended Gaston College, Gastonia, N. C.

veterans and widows and orphans and to the members of our Armed Forces. I am pleased that a North Carolina Congressman is one of the first to be honored."

Newsome further said, "Our organization of combat veterans who have served on foreign fields is dedicated to service to our men in uniform and their families. The record of Congressman Whitener exemplifies in the highest sense the program and principles of the Veterans of Foreign Wars. It is particularly pleasing to me that he has been a member of our organization since 1944 and has worn the uniform of our country in combat just as those of us who honor him tonight."

Commander Paul Mauney of the Gastonia V. F. W. Post expressed appreciation to Commander Newsome for the recognition being given to Whitener, a member of his post. Mauney said that, "We appreciate the fact that Congressman Whitener has always kept our post and the other veterans of his district fully informed on veterans' legislation. He has consistently understood and appreciated the needs of veterans."

Q—I recently got out of a Veterans Administration hospital after being confined there more than a month for treatment for a disability not related to my military service. Is it true that I am entitled to payment from VA for this period since I was hospitalized for more than 1 consecutive days?

A—If, as your letter indicates, you were hospitalized and treated by VA for a non-service-connected disability, you are not eligible for the compensation that is paid for the temporary 100 percent rating given by VA to all veterans hospitalized more than 21 consecutive days for treatment of a service-connected disability.

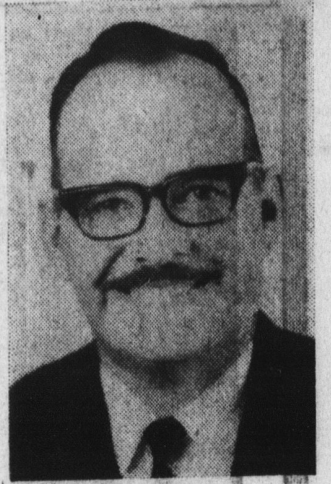

Q—I had active military service from May to December 1955 their guests participated in the Basil Whitener Night Banquet and ceremonies.

and came out without a scratch. However, I am now disabled as a result of an accident. Am I entitled to a pension?

A—Not according to the facts stated. One of the requirements for a non-service-connected pension is that the veteran have at least 90 days of continuous active duty, any part of it during a wartime period, or be separated from wartime service for a disability incurred in service in the line of duty. Your period of service was not during wartime, so you are not eligible for a non-service connected pension under existing law.
