Rev. and Mrs. J. E. Craig and daughters of Easley, S. C. were Saturday guests of Mrs. M. C. Hardin.

Mrs. Jake Dover of Shelby was Monday guests of Mrs. Addie Beam.

Robert L. Sipes Aboard Hancock

(M0401) USS HANCOCK (CV-19) at sea (FHTNC) Sept. 5 — Interior Communications Electrician Second Class Robert L. Sipes, USN, 22, son of Mr. and Mrs. Forest C. Sipes of Route 2, Kings Mountain, N. C., and husband of the former Miss Brenda L. Payne of Route 1, Grover, N. C., is serving aboard the attack aircraft carrier USS Hancock on Yankee Station off the coast of North Vietnam.

Crewmembers of the carrier, on its fourth combat cruise to the Western Pacific, are providing the necessary support to keep the ship's airplanes and pilots flying daily combat missions against the enemy.

On the first day of its present cruise, A4 Skyhawk pilots dropped 500-pound bombs on an enemy storage area in an old army barracks more than 20 miles south of Vinh. In addition F8 Crusader and A4 Skyhawk pilots downed a highway bridge over a canal, damaged two other bridges and cratered the approaches to five more.

The following day the A4s once again hit enemy bridges, putting three out of commission.

Dress Comfortably, Travel Right

Herb Beck, veteran travel editor and writer, makes this interesting comment:

"Dress comfortably and travel light, but don't forget that autumn weather can change on short notice. And don't forget to take along an extra pair of well broken-in shoes. Be sure to wear your seat belts at all times in the car."

As for your car, before starting out, see that your tires have plenty of good wear left, and the same goes for your brakes.

Among the most important items of wear are the windshield wipers. No matter whether the wiper mechanism still works like a metronome, if the blades streak you can't trust them. Have them refilled or replaced.

LOGE MEETING

Regular communication of Fairview Lodge 339 AF&AM will be held Monday night at 7:30 at Masonic Hall, Secretary T. D. Tindall has announced.

Learn the secrets of beer cookery

Find out how to make delicious everyday dishes with beer—such as beer meat loaf, beer chicken, beer sausages and beer cake. And then there are such gourmet treats as rarebits and Carbnades Flamandes.

Beer cookery is as traditional as yesterday... as modern as tomorrow. Beer adds a real flavor treat.

Send in this coupon for our pamphlet of free recipes on cooking with beer.

I'm interested in recipes for cooking with beer. Send me my free pamphlet.

Whitener Wins Watchdog Award

John C. Mason, President, National Associated Businessmen, Inc., today presented Representative Basil L. Whitener (D-NC) with the organization's "Watchdog of the Treasury" Award in honor of Whitener's 90.9 per cent economy voting record for the Ninetieth Congress, 1967-1968. The Congressman's record would have been 100% except for his absence for one vote.

In congratulating the Congressman, Mr. Mason said, "Your outstanding economy voting record indicates to your constituents and to our membership that you have a keen realization of the problems of fiscal responsibility. I know it takes a lot of courage to stand up against the pressure groups who advocate unnecessary Federal spending.

As you know so well, inflation affects all of us, and your votes against inflationary spending merit our appreciation. Your economy voting record is a constructive achievement of which you and the voters who sent you to Washington should be very proud."

Made up primarily of small business firms, the NAB is a non-partisan organization with its headquarters in Washington. Its goals include fiscal responsibility in government and the elimination of the Federal Government from competition with private business.

Whitener received the same award in 1966 for his economy voting record.

Dunn Awarded Air Medal

IMPERIAL BEACH, CALIF. (FHTNC) Sept. 26 — Aviation Electrician's Mate Third Class Thomas A. Dunn, USN, 21, son of Mrs. Nellie M. Dunn of 501 E. King St., Kings Mountain, N. C., was awarded the Air Medal.

The presentation was made during ceremonies at the Naval Air Station, Imperial Beach, Calif.

He earned the award for service as an aircrewman while attached to Airborne Early Warning Squadron One in Vietnam.

He is currently serving with Helicopter Anti-Submarine Squadron Two at the air station.

A graduate of Kings Mountain High School in Kings Mountain, N. C., Petty Officer Dunn entered the service in July, 1965.

Textile Math Class Opens

A class in "Textile Mathematics" will get underway Thursday, tonight, at Cleveland County Technical Institute. Registration will be held from 7 until 9 p.m.

A spokesman for the school said the class will meet weekly for 10 weeks on Thursdays from 7 until 9 p.m. in Room 207 of the Institute. The program of study is designed to deal with practical problems of technical math and is not restricted to textile people only. There is no charge for the class to the student or to the firm which employs the student.
