Griffin's Health Tip
By WILSON GRIFFIN
Last year, almost half the persons killed in home accidents 13,500 fatalities out of 28,000 were more than 65 years old—total for all ages. Lamp cords, foot stools and toys in walkways; throw rugs or curled carpet edges — all are hazards for the elderly.
Fix loose carpeting, broken linoleum, remove hazardous items they might trip over, and use non-skid waxes to protect your senior family members and friends.
After you see your doctor, bring your prescription to
