Carl Wiesener Guest Speaker To Auxiliary

Carl V. Wiesener, past commander of Otis D. Green Post 155 American Legion, will be guest speaker at Thursday night's meeting of the American Legion Auxiliary at the American Legion building.

Co-hostesses will be Mrs. John W. Gladden and Mrs. Carl Childers.

DKG Chapter Held Meeting

The Dixie Village Cafeteria was the setting for the meeting of Beta Epsilon Chapter, Delta Kappa Gamma, October 30.

The Bessemer Unit had used the Halloween motif to give the dining area a festive air.

The study for the evening was "The Orient - The Twain Shall Meet". Claude Davis, Professor of English, Gaston College, was the speaker. Mr. Davis, who spent two or three years in Japan during the Korean War, spoke informatively of the history, religion, politics and culture of this nation, which to some is "becoming horribly Americanized". Education is required up to fourteen years of age. Great respect for the home and for authority is the reason for few discipline problems.

Kings Mountain members attending the meeting were: Miss Alice Averitt, Mrs. Tolly Shuford, Mrs. Grady Howard, Mrs. Lawrence Lohr, Mrs. Dick McGinnis, Mrs. Jay Paterson, Mrs. W. L. Ramseur, and Mrs. E. W. Neal.

Junior Women Hear Parker

Donald Parker, director of the federal programs in the Kings Mountain district schools, was guest speaker at Monday night's meeting of the Junior Woman's club.

Mr. Parker showed slides illustrating the newest program in the schools—the 60-student kindergarten at the Compact plant. Mrs. Richard Greene, program chairman, introduced Mr. Parker. Mrs. Cal Fisher, club president, presided. The devotional was given by Mrs. Jacob Dixon.

Miss Mary Alice McDaniel, chairman of the community calendar project, distributed calendars for 1970 which will be distributed by members.

Plans were completed for a district "buzz night" and "hippie party" to be held by clubwomen from seven clubs at the Kings Mountain Woman's club Friday night.

Electric guitar, man.

Electric organ, too.

Could you call their music an electric outlet?

electric groovin

The electric age is in. Take it from the kids who've got the beat. And it's growing bigger every day.

to conquer. Bigger energy to do it. And a bigger value than ever for today's electric generation.

Bigger sounds. Bigger worlds to kilowatt hour to a home served

by Duke Power is now about half what it was thirty years ago. Pretty groovy, when you think of how the price of almost everything else has gone way up.
