Coach Hanley Painter, head football coach of the Lenoir Rhyne Bears commented that, "Not only am I aware of Wes's tremendous background in football but we are still using the single wing buck lateral series he developed while

at Ohio State and Minnesota. "Clarence Stasavich and I followed him all over the Eastern part of the country in the early 1950's catching several of his clinical lectures and immediately thereafter we began to use it and it has produced fourteen conference championships for us dur-ing that period of time."

Fesler earned three letters each in basketball, baseball, and foot-"Chicago Tribune" named him the Big Ten's Most Valuable Play-er in football.

Fesler coached football and basketball at Harvard, Wesleyan and Princeton Universities. He was the head football coach at the University of Pittsburgh in 1946, and from 1947 through 1950 he directed his alma mater's football fortunes. His 1949 Buckeye team won that season's Rose Bowl game. Fesler ended his illustrious coaching career at the University of Minnesota, where he was head football man from 1951 through 1953.

Coach Painter also added that, "We at Lenoir Rhyne College and
