**Mrs. Wilson
Class Agent
For L-R Drive**

HICKORY — Mrs. Robert L. Wilson of 107 N. Piedmont Avenue, Kings Mountain, is now serving as a Class Agent for the Lenoir Rhyne College Alumni Loyalty Fund drive for 1969-70.

"Annual support of Lenoir Rhyne College through the Loyalty Fund is a vital link in the college's life-chain," Jim Phillips, 1969-70 Loyalty Fund chairman, noted, "since the Loyalty Fund gifts are restricted in their use and are made available to the administration to be used where most needed."

"In the last eight Loyalty Fund drives, Lenoir Rhyne alumni have given more than \$277,000 to help the college sustain its drive for an improved academic program. These gifts are very important to the college for it would have taken an endowment of \$700,000 to produce an equivalent income in each of these years."

"As the cost of living has risen sharply in the last few years, so the cost of education has also risen... but with the donations and gifts from our alumni and friends, raised through the efforts of these Class Agents, students will still be able to receive a high quality education at a tuition price more readily accessible to all."

**Club Women
Set Meeting
In Charlotte**

The mid-year Board of Directors' meeting of the North Carolina Federation of Women's Clubs will be held in Charlotte, December 8-9. More than 300 women are expected to attend the two-day meeting at the White House Inn. Mrs. Frank Bryant, Boonville, NCFWC president, will preside at all sessions.

Heading the list of speakers will be Dr. Leighton Ford, associate to Dr. Billy Graham; Charles Dunn, director of the State Bureau of Investigation; Dr. Assad Meymandi, psychiatrist and mental health leader from Fayetteville; and Miss Rosemarie Markgraf of the Motion Picture Association of America.

The meeting will begin December 8 with luncheon at 12:30 p.m. at which Charles Dunn, SBI Director, will speak on law enforcement problems in North Carolina. The Charlotte Junior Woman's Club chorus will provide music.

The Executive Board will hold a 2 o'clock business session and at 2:30 will join the Board of Directors to hear Miss Markgraf speak on "Movies and the Clubwoman." General Federation of Women's Clubs, with which the state organization is affiliated, is currently engaged in an all-out effort to "clean-up the movies." Miss Markgraf is expected to counter some of the criticism movies are receiving and offer suggestions for NCFWC clubs which include more than 15,000 women in the state.

The Motion Picture Association will sponsor a premiere showing of a leading movie for the Board at a local theatre after the evening session.

"Leadership Development" will be the subject of a panel discussion led by Mrs. Frank Bryant, Boonville, NCFWC president. Taking part will be Mrs. George Ross, Wilmington, first vice president; Mrs. J. W. Weathers, Jr., Youngsville, second vice president; and Mrs. C. E. Brawley, Mooresville, third vice president.

Trustees of the Federation will meet Monday afternoon with Mrs. James M. Harper, Southport, chairman, presiding, and the Junior Executive Committee will meet with Mrs. C. E. Brawley, Junior Director.

The evening meal will feature an address by Dr. Meymandi on "The Clubwoman and Her Family." Dr. Meymandi writes a syndicated column on mental health and is active in Cumberland County in mental health.

Group meetings will be held Monday evening led by Mrs. Ross, Mrs. Weathers, Mrs. Brawley, and Mrs. Bryant.

A prayer breakfast Tuesday morning will feature Dr. Leighton Ford and the morning session of the Board of Directors will include reports and election of Department and Division chairmen.

The meeting will close with luncheon and a business session at 12:30. Expected to attend for the first time as members of the Board of Directors will be presidents of the 340 clubs in the state in addition to district presidents, department and division chairmen, chairmen of committees, trustees, and Junior officers and chairmen. A special workshop for club presidents will be conducted Monday evening.

**McAdenville Lights
To Be Turned On**

The famous lights in McAdenville will be turned on Saturday and will burn each night from dusk through midnight.

On Christmas Eve a huge log will be dragged up the hill on a sleigh and set afire on the lawn of the Community Center. The 250 large trees in the downtown area will be covered with approximately one million colored lights. Every home will be decorated.

Area citizens are expecting one million people to visit this "Christmas Town" of 3,000 during the holiday season.
