Energetic Young Jaycees Are Good Community Builders

WHAT IS A JAYCEE?

A Jaycee is a young man who helps his community, his country and helps his fellow man. Every man deserves and has the opportunity to become a Jaycee!

WHAT DOES HE DO AND WHY?

In order to be happy, an individual must feel and know in his heart that he has contributed to making this world better by his having lived, by doing some good for others, by helping someone who needs help. By being of service to his fellow man, a JAYCEE comes to know the real meaning, the real reason why he is a Jaycee—and there comes individual growth, a willingness to share his talents and abilities with and for others, and an opportunity to live outside himself.

YOU CAN BECOME A JAYCEE

If you are between the ages of 21 and 35—We extend a CORDIAL, INVITATION TO YOU to come, join the JAYCEES in our capacity of COMMUNITY BUILDERS!

You'll be proud to be on the team of DYNAMIC JAYCEES, the finest organization for young men the world has ever known.

THIS SALUTE TO KINGS MOUNTAIN JAYCEES SPONSORED BY THESE CIVIC-MINDED FIRMS AND INDIVIDUALS.
