Mounties Face Toughest Test Yet In East Rutherford

Kings Mountain's Mountaineers will be facing their toughest test of the young season Friday night when they travel to Forest City to take on East Rutherford's big and tough Cavaliers.

The Mountaineers will be putting an undefeated 2-0 record on the line while the Cavaliers will be trying to snap back from a heartbreaking 16-12 loss to Lincolnton last week.

East Rutherford led Lincolnton 12-8 at halftime of their game but the Wolves came back with a late touchdown and safety to post their second straight win and hand East its first loss of the season. The Cavaliers, who return 16 lettermen from last year's fine 8-2 outfit, are 1-1 overall, having blanked Dallas 22-0 in their season opener.

Kings Mountain will be trying to avenge a 7-6 loss at the hands of East last year and Coach Bill Bates is hoping his Mountaineers can hold on to the football. In last year's loss, the Mountaineers lost seven fumbles, including one which set up the Cavalier's lone touchdown

The Mountaineers won't be at full strength as several player. are nursing injuries. Tackle Steve Ingle, who missed last week's game, is still out with an ankle injury, guard Dale Russell is slowed by an injured ankle and defensive back Rick Falls has been slowed by a slight shoulde separation.

Ingle hasn't practiced in more than a week but he is off crutches and should be ready to work again soon. Russell and Falls are both working out but are not at
