LEADS SCORING - Junior fullback David Bolin led Kings Moun min's Mountaineers in scoring this season with 40 points. Bolin tallied six touchdowns and two, two-point conversions. Several other players pushed Bolin for the scoring title.

Junior fullback David Bolin which paced Kings Mountain's Mountaineers to a 7-3 record in the Southewestern 3-A Conterence this fall.

Bolin scored six touchdowns and four extra points for 49 points to lead a list of 11 Mountaineers who took part in the scoring act.

Although Bolin was the leader, several other players were close to the top of the list. Halfback Marshall Logan, who didn't break the starting unit of the until midway when Chris Blanton was sidelined by an injury, finished second to Bolin with six touchdowns an'i 36 points.

Sophomore halfback Frankie Stokes and senior quarterback Geeper Howard finished with 30 points each, senior end Ray Hughes had 18 points and placekicker Chuck Carpenter had 17 markers, all on extra points. Junior end Gerald Owensby was the only other Mountaineer to get double digits in scoring, tallying a pair of touchdowns and two ext ra points for a to tal of 14.

Blanton, Terry Putnam, John Grier and John Hogue rounded out the scoring with six points each. Oddly enough, Putnam, Grier and Hogue made their touchdowns on defensive plays. Putnam returned a fumble 50 yards against South Point for a score, Grier fell on a blocked punt in the end zone against Cherryville and Hogue returned

a pass 85 yards against R-S Central. In 10 games, the Mountaineers scored a total of 211 points, an average of 211 per contest. They gave up 27 points or 12.7 per game.

## **Dixon Says KM Team Has Much** Work To Be Done

Nine members of the football team came out for practice for the first time Tuesday, giving Kings Mountain High new basketball coach. Alan Dixon, 21 boys to work with. Dixon, who ocached the jayvees the past two years, said the

Mountaineers have a lot of work to do before opening season play on Dec. 1 at Bessemer City. Coach Dixon said the Mountain

eers are working mostly on de fense and getting into shape. Only Geeper Howard, who is one of the nine players from the football team, and Ben Brown, a junior guard, have had much game experience. Both played key reserve roles in last year's 23-1 season and Howard has started times during his career at KMHS.

The only other returnees from last year's entire squad are jun-ior guard Al White and senior guard Chuck Carpenter. The team will be comprised

mostly of sophomores and juniors. Dixon had 31 candidates open

ing day, but cut down to 12 last Friday.

"As most people know, we lost some fine players last year and I'm just hoping these new boys come around and surprise a lot

of people," said Dixon. The biggest player on the team is 6-4 sophomore Jim Jolly, who shows a lot of promise on of-fense. Other newcomers who have been impressive include Mike Thombs, Vernon Crocker Mike Thombs, Vernon Crocker and Paul Manning. The girls team, under third. Is On The Rise Again
