A. A.B.C. reports tell you how much circulation, where it goes, how obtained and other **FACTS that help you buy advertising to you would make any sound business investment—in the basis of known value and audited information.**

Q. Are all publications eligible for A.B.C. membership?

A. No. Only those with paid circulation. This is important to advertisers because it is evidence that the paper is wanted and read.

Q. What is the A.B.C.?

A. The A.B.C. is a cooperative, non-profit association of 3,400 advertisers, advertising agencies and publishers in the United States and Canada. Organized in 1914. Brought order to advertising chaos by establishing a definition for paid circulation, and standards for auditing and reporting the circulations of newspapers and periodicals.
