School Clinics Fridays Here

Is your child starting to school this fall? If so, he needs the following immunizations before he can enter school: Diphtheria, Tetanus, Whooping Cough, Polio and Smallpox. It is also recommended that all children entering school

have Red and German Measles Vaccine, if they have not had the Measles Disease, and the Tuberculin Skin Test.

Your family physician will be happy to help with these immunizations. If you can not take your child to your physician, the Cleveland County Health Department has immunization clinics in Shelby each Monday, 8 a.m. to 12

Noon and 1 p.m. to 5 p.m., and each Tuesday and Friday afternoons, 1 to 5 p.m. Other clinics are held for Upper Cleveland County each Thursday morning, 9 a.m. to 11 a.m., at the Rescue Squad Building in Lawndale, and each Friday morning, from 9 a.m. to 11 a.m., at the Kings Mountain New Recreation Center.
