**Scouts Set  
 Clean-Up**

Danny Bridges, son of Mr. and Mrs. Carl Bridges of Route 1 has organized a city wide effort by all scout troops in the area in cleaning and mowing the railroad from Wells street to the overhead bridge at King street. Danny is a candidate for Eagle Scout and this constitutes his Eagle Project.

The following troops are to participate:

Troops 91; 92; 95; 404 and 405. Two troops in the area, 90 and 93 will be at scout camp and could not help.

The work will be done Saturday June 12 beginning at 8 a.m. The City of Kings Mountain has pledged full support and will provide dump trucks for carrying away the debris.

This work is being done in conjunction with the national efforts of the Boy Scout Project SOAR (Save Our American Resources).

**Theatre Group  
 Sets Open House**

Kings Mountain Little Theatre is extending the welcome mat to area citizens to "come see us in our new home" with open house Thursday (tonight) at 7:30 p.m. at Park Grace school.

Little Theatre members have been busy painting and renovating the former elementary school auditorium and used the stage for the first time last weekend to present the hit show, "Everybody Loves Opal".

Mrs. Bob Cox, president, said all persons interested in the theatre are invited to join the organization. A general meeting will be held after the open house and new officers will be elected for the coming year.

If you're buying cheddar cheese look for the cure that you prefer—"milk" means it has been cured 2 or 3 months and its flavor is slightly developed. "Mellow-aged" cheese has been cured 4 to 7 months and has a well-developed flavor. "Sharp" cheese has been cured 8 to 12 months and has a full cheddar flavor.

**Good Response  
 To Survey**

Several hundred citizens have responded to the employment survey underway by the Chamber of Commerce.

The survey asks such questions as to number of years employed and seeks to determine how many area citizens are employed out-of-town.

It is a confidential survey and requires no signature on the cards which have been distributed in the area.

Citizens not receiving cards via mail may clip the card which is published in today's Herald.

**CARD OF THANKS**

To the Citizens of Kings Mountain

I would like to take this opportunity to thank all of you for the many kindnesses shown me in time of illness. I deeply appreciate the cards, money, the donation of blood and all the prayers offered up in my behalf. Please know that I am eternally grateful.

Do you know the difference between lowfat milk and skim milk? Lowfat milk has between 0.5 and 2 per cent milkfat. Skim milk has less than 0.5 per cent milk fat and at least 8 per cent nonfat milk solids.
