Griffin's Drug Store
Griffin's Health Tip
By WILSON GRIFFIN
Calling all adolescents with acne — Dr. Louis Wexler, a New York dermatologist says rigorous sports and exercise are helpful for acne. Profuse perspiration loosens blackheads plugging sebaceous glands, allowing a freer flow of sebum. Washing thoroughly after perspiring, with an antibacterial soap containing hexachlorophene also helps.
After you see your doctor bring your prescription to
Griffin's Drug Store
