Healthy Health Tip

By WILSON GRIFFIN

There is a myth that if women build up muscles in sports, it will cause complications later during pregnancy. Exactly the opposite is true. Obstetricians now prescribe exercises for expectant mothers to improve their muscles. A woman with good muscle tone may experience fewer labor problems. If she has maintained good physical conditioning all her life thru sports and exercise, it will bring many benefits during motherhood.

After you see your doctor bring your prescription to
