

### Gaston Will Present Play

The Gaston College Players, a student drama group, under the direction of Stuart Gaston Dunsmore, chairman of the drama department, will present two new plays in the college library. The group will present Thornton Wilder's "The Happy Journey to Camden and Trenton" and Tennessee Williams' "Twenty-Seven Wagons Full of Cotton."

"The Happy Journey to Camden and Trenton" was presented on Tuesday, April 25. "Twenty-Seven Wagons Full of Cotton" will be presented on Thursday, April 27, at 11:00 a. m. Both plays will be presented on Monday, May 1, at 7:30. All performances will be given in the Gaston college library on the college campus. There is no admission charge and the public is cordially invited.

### Are Proper Taxes Withheld Weekly?

The Federal Withholding Tables do not reflect the proper amount of tax to be withheld from the wages of many taxpayers.

1) If you are single, you should file a new Form W-4, supplied by your employer, and claim an additional withholding credit on line 3 of the Form W-4.

2) If you are married, but only one spouse is working you should also claim an additional withholding credit on line 3 of Form W-4.

3) If you expect to itemize deductions on next year's return, study the table on the back of Form W-4. You may be entitled to one, two or more extra withholding credits.

The Internal Revenue Service wants to collect from each pay check only the amount you owe. You owe it to yourself to correct your withholding, if too much tax is withheld from your wages.

Faires of Fort mouth, Va.; four daughters, Mrs. Oscar Jenkins of West Cramerton, Mrs. Hoyle Stowe of Gastonia, Mrs. Gillard Cline of Fort Myers, Fla., and Mrs. Arthur Holton Sr. of McAdenville; 36 grandchildren and 37 great-grandchildren.

### The Veterans Corner

and of questions concerning the benefits their government provides for them through the Veterans Administration. Below are some representative queries. Additional information may be obtained in any VA office.

Q.—Is there a deadline of veterans to apply for VA hospital care?

A.—No. There is no deadline if a veteran is eligible, needs it, and a bed is available. Beds are always available at VA hospitals for veterans with service-connected disabilities.

Q.—I receive \$25 monthly VA compensation for a 10 per cent service connected disability, while my brother receives \$20 monthly for his 10 per cent disability. Why?

A.—You receive the \$25 monthly compensation because your disability was incurred during wartime. Apparently, your brother's compensation is for a peacetime disability, which is 80 per cent of the wartime rate, or in this case, \$20.

Q.—How long will I be covered by my Servicemen's Group Life Insurance if I was separated from service for total disability Nov. 1, 1971?

A.—Your coverage under SGLI will continue while you remain totally disabled, but not beyond one year. Within a year of the date VA notifies you that your disability has been rated as service-connected, you can apply for a \$10,000 low cost PFI policy from the agency. Also within the year, you may convert your SGLI (maximum \$15,000) to an individual policy at standard rates with any company participating in the SGLI program.
